DEDICATED TO

MR. BILL MANES

Our principal, Bill Manes, is a leader and a director of leadership. These qualities have won him admiration from all.

He is always rushing about, tending to all of his many duties as Principal of Yuma Union High School. Doing much more than his job requires, he takes a personal interest in his students and teachers, and goes out of his way to help them. No matter how busy he is, he always takes time with those who need his advice or help.

Bill Manes' job is dear to his heart, and he pursues it with earnestness and enthusiasm. This makes him a favorite of the townspeople as well as those who know him as a principal and friend.

Well known for his home-spun philosophy, he will be remembered for such axioms as, "Two wrongs don't make a right", or his usual reply to an obvious sob story, "Tough rolls and no coffee."

The person to whom this book is dedicated has received the highest tribute the yearbook staff has the power to bestow. We feel that this recognition is richly deserved by Mr. Bill Manes.

CAMPUS VIEWS

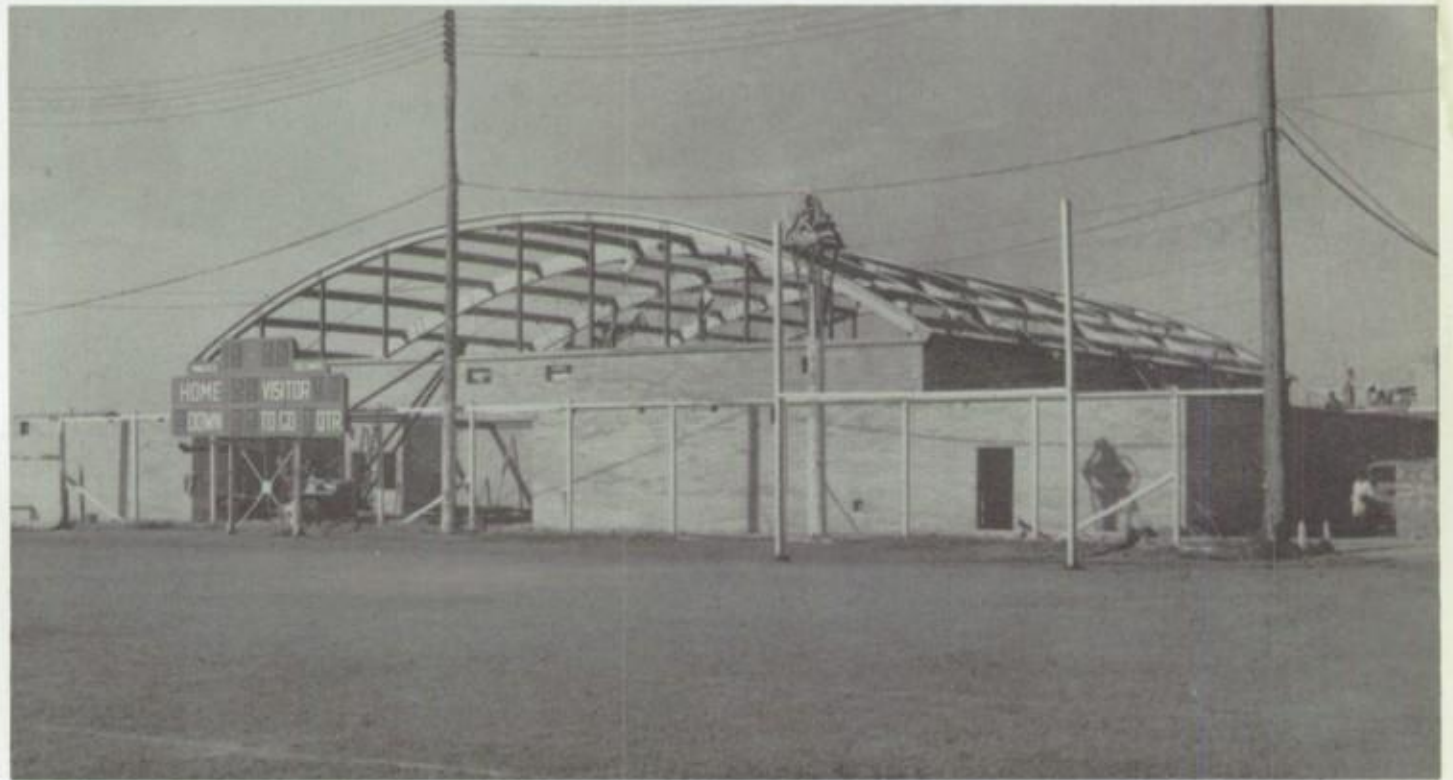

A favorite spot on the YUHS Campus, the Cafetorium.

Approaching Main and Administration buildings from Doan Field.

Our new gym in the process of being built.

A familiar scene in the life of each Crim, rushing between classes.

ALMA MATER

High above the Colorado
raised against the sky,
proudly stands our alma mater
as the years go by.
Forward ever be our watchword,
conquer and prevail,
here's to thee, our alma mater
Yuma High, all hail.

In memory of our friends who have passed away, Mr. Warren Newhardt and Donna Smith, we humbly dedicate this page.

In this serene desert stands the Saguaro for which our annual is named.

The School Record

Yuma Union High School is an outstanding school which is made up of students of all races and creeds. We are all proud of our school, however, the need for another high school is very evident.

There was an enrollment of 2008 at the beginning of the school year with 654 freshmen, 553 sophomores, 466 juniors and 335 seniors. These teenagers attended classes in 62 classrooms, which includes the five temporary buildings that were used because of the crowded conditions. They were taught by a faculty of 83. There were 6 class periods each 55 minutes long with split lunch periods. There is hope, however, because bids were published for the new high school and leveling of the site began.

Many things happened in the school year 1957-58 to make it different from all the other years. A new gym was built, since the old one was destroyed by the fire last year. Our band room was remodeled and is now 50% larger than the original.

A new building with showers and dressing rooms was built. A new light panel was installed and new curtains were purchased for the stage in the auditorium. The Student Council also bought a new station wagon to be used by the student body and a new school bus was secured.

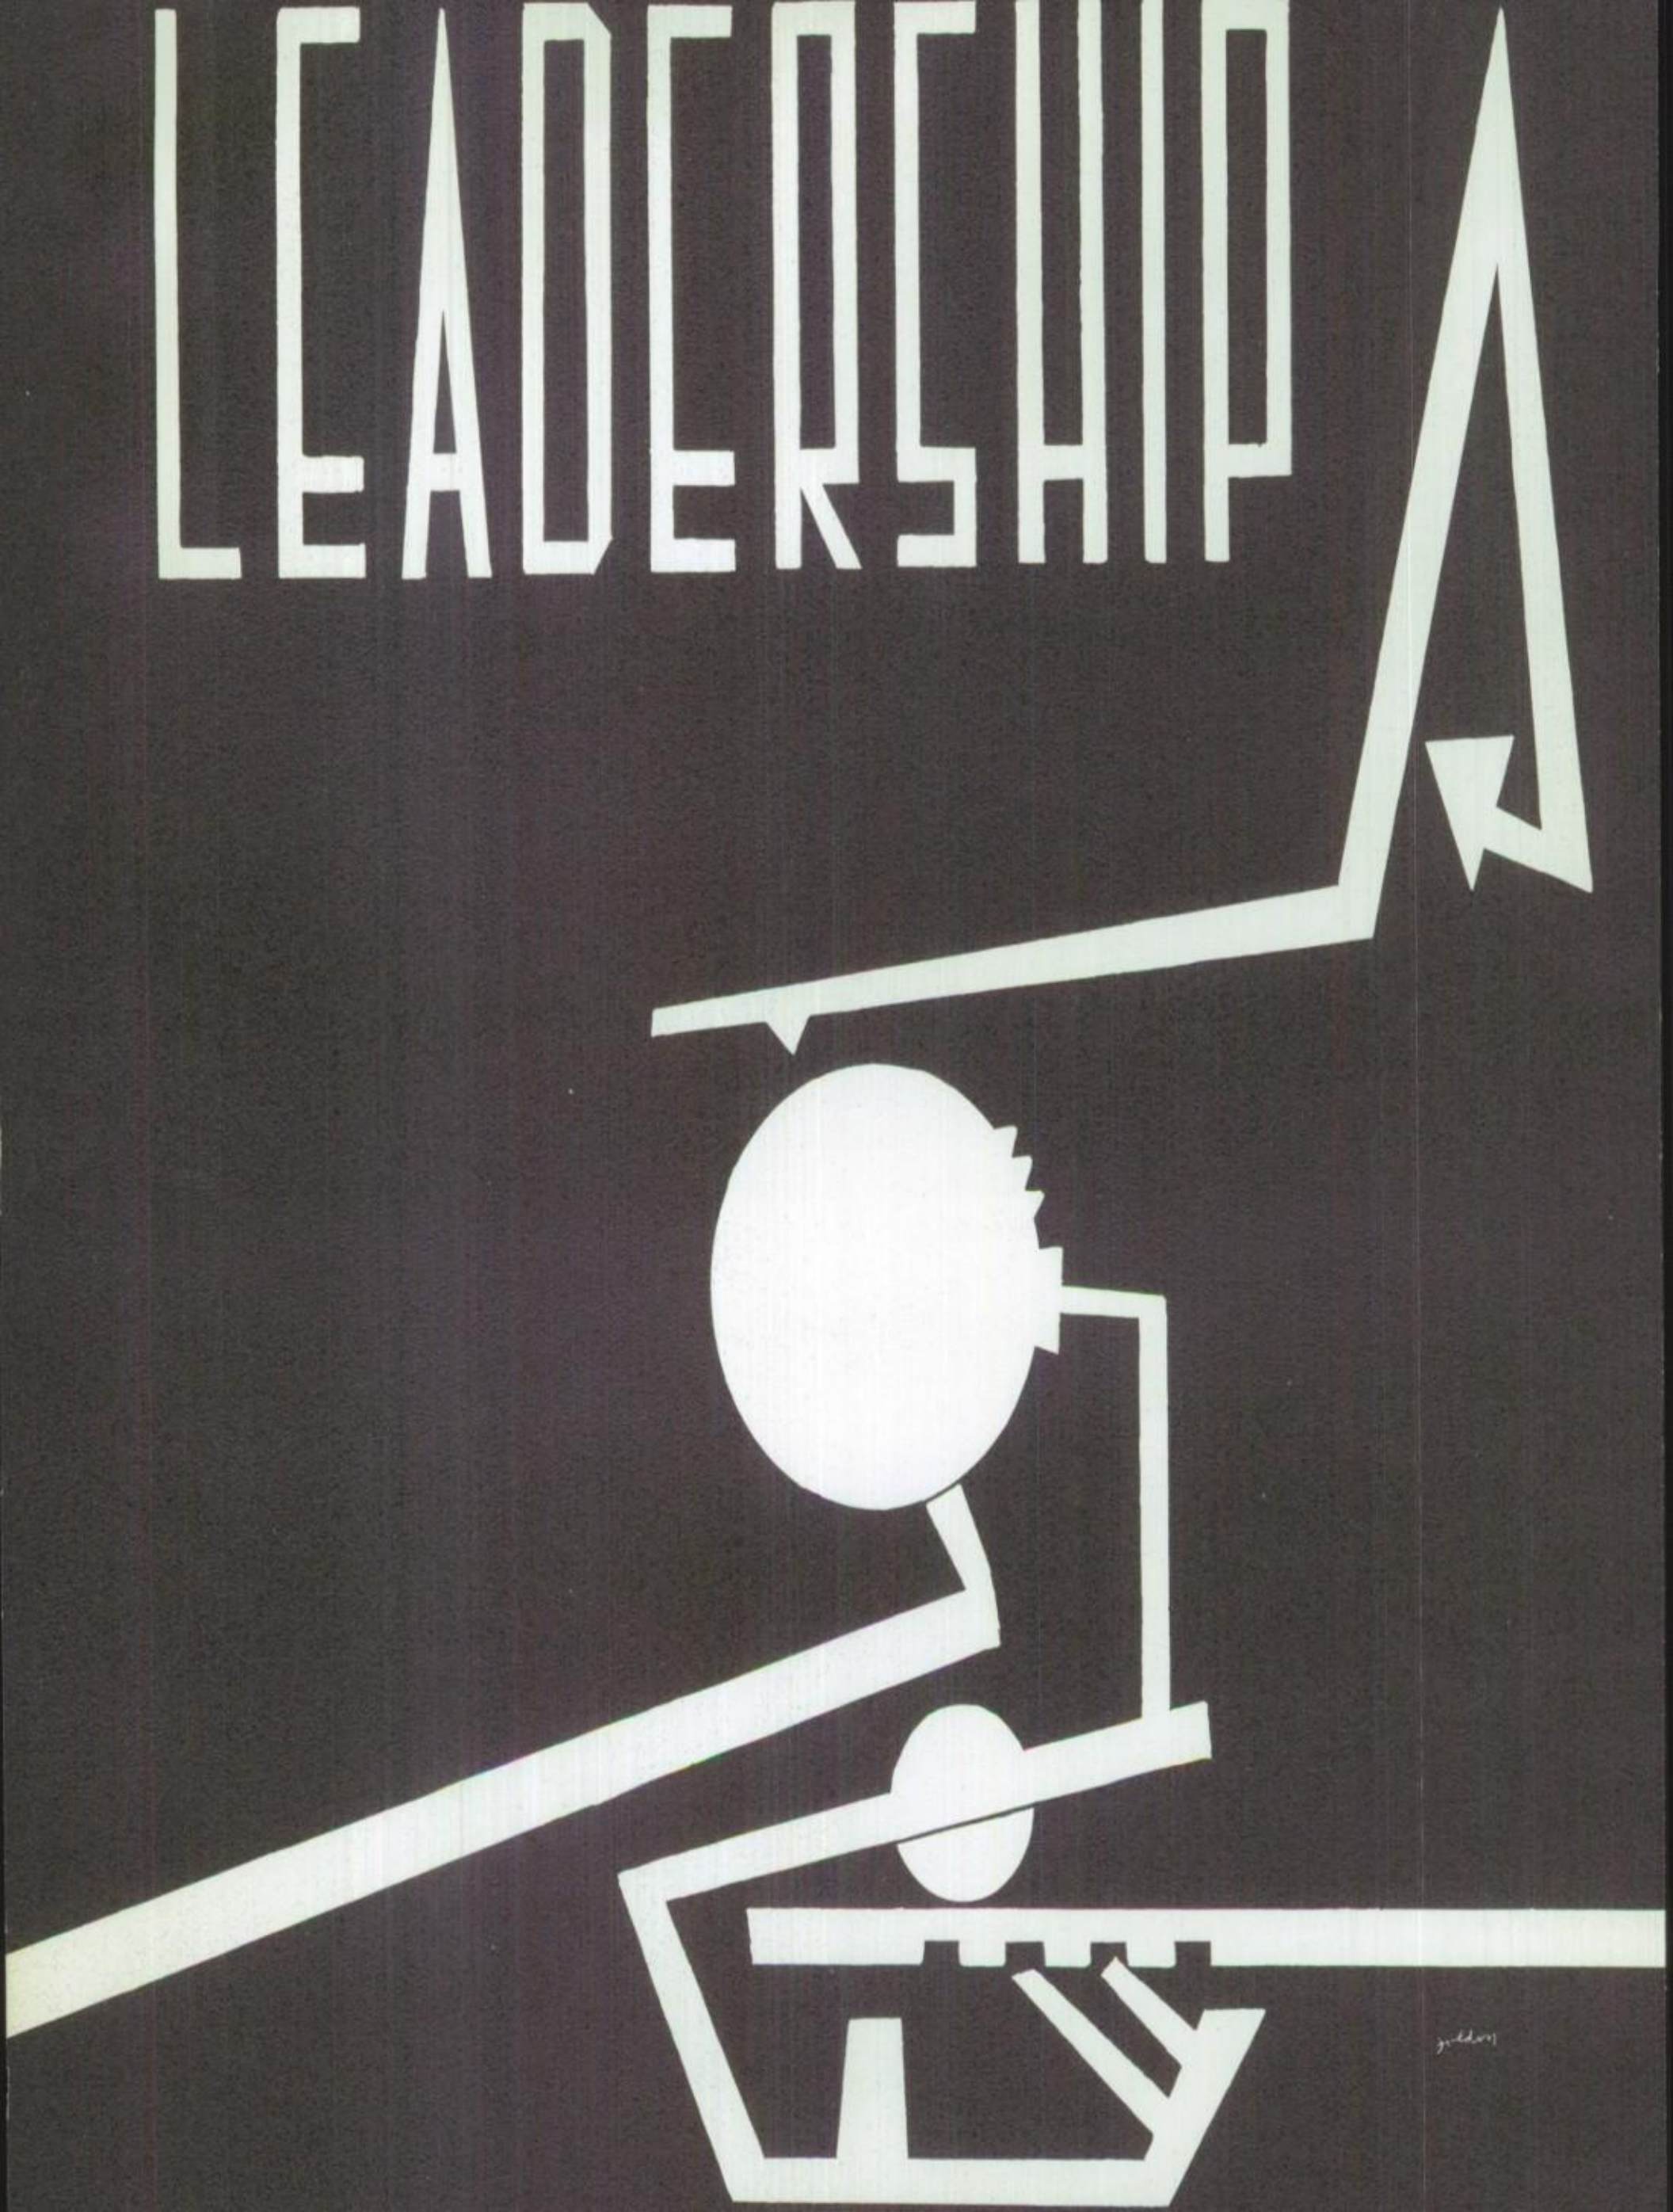

We are very proud, too, because YUHS had its first foreign exchange student, Enrica Gardinetti from Italy and foreign exchange teacher, Mr. Batres from Guatemala.

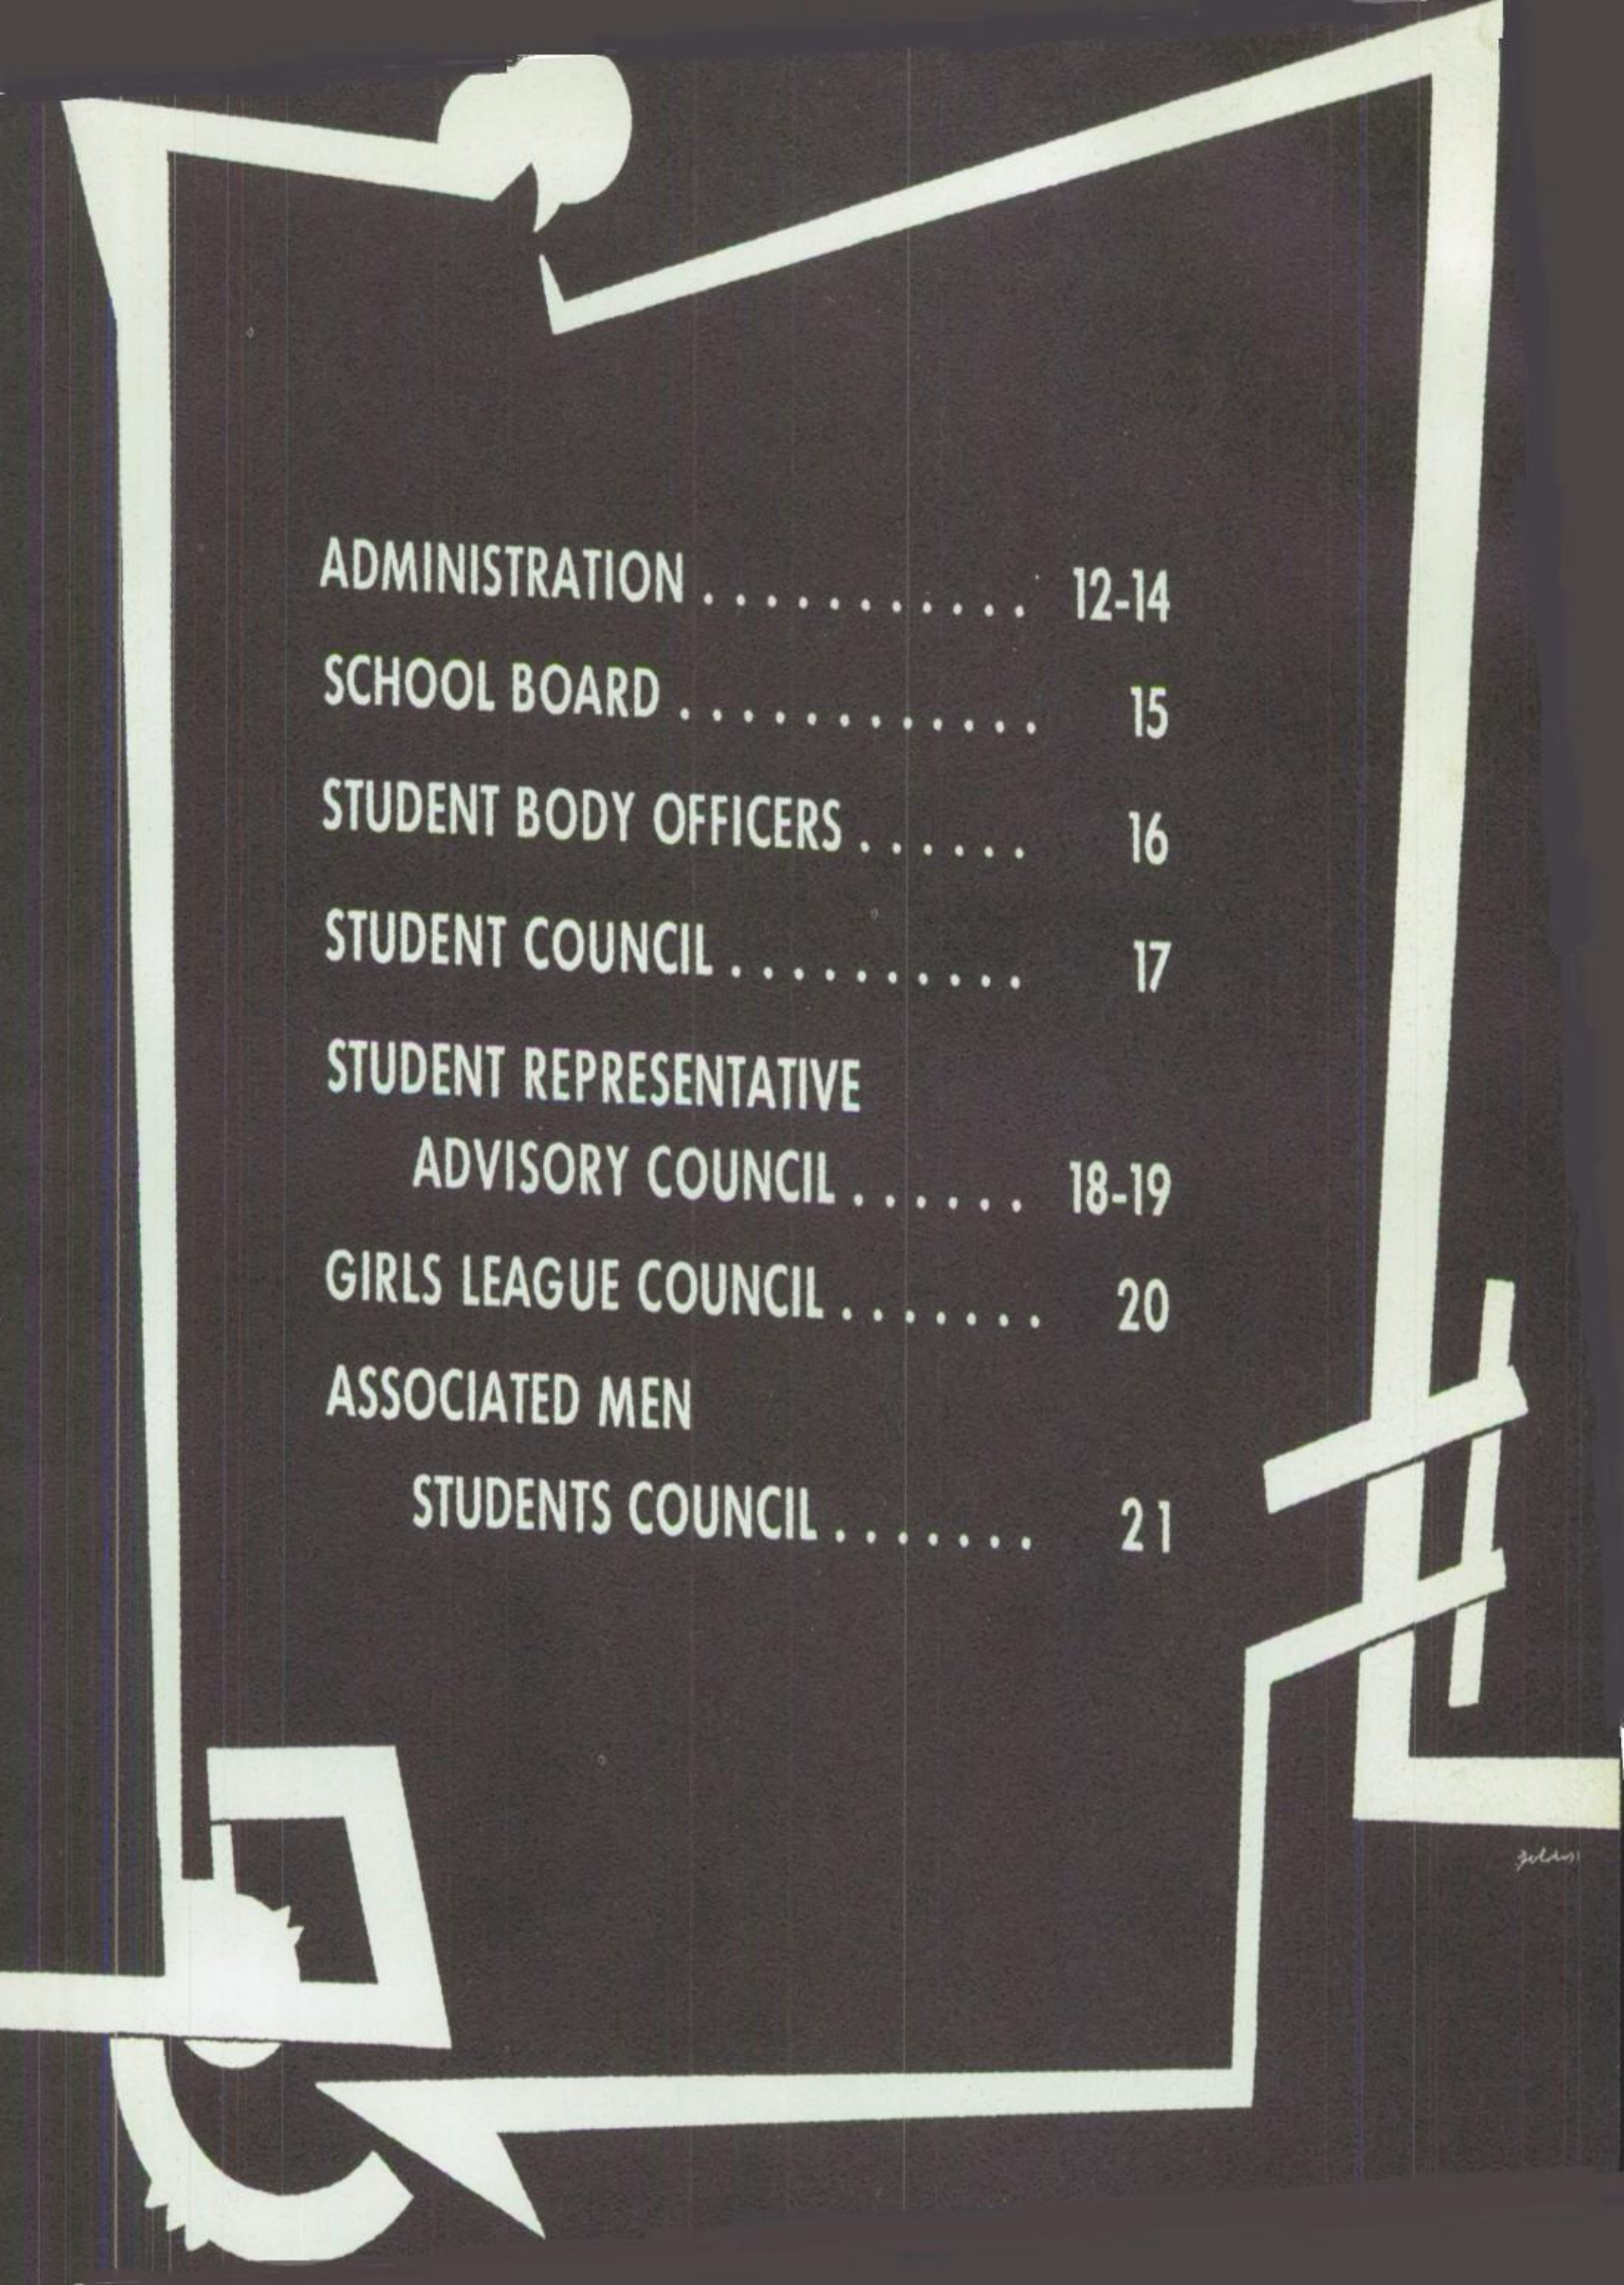

New classes were added to the curriculum, among them a new cadet band, a stagecraft class, weightlifting, and several of the senior civics and English classes were interrelated.

Students attending YUHS are known as Criminals because, for several years in the history of Yuma, the old territorial prison was used for classrooms as there were no other buildings available.

To graduate, a senior must have at least 18 credits, 15 of which must be solid. Courses required for graduation are: 3 years of English, 1 year of math, 1 year of science, 1 year of social living, 1 year of United States History, $\frac{1}{2}$ year civics and $\frac{1}{2}$ year of senior problems.

W. R. SIRRINE, SUPERINTENDENT

We pride ourselves on being a modern school — modern in the sense that we endeavor to keep abreast of the times.

A measure of the worth of a school is its ability to meet the changing demands of an ever changing population. To remain static is to become stagnant.

This past year, as recorded in our school annual, was a year of changes, academic and social. Our school board authorized a community curriculum study that saw both secondary and elementary schools of our district engaged in a joint program of self-appraisal. As the need for change became apparent, changes were made. We feel next year's courses of study will display the fruits of the joint committee's labors.

A new gymnasium has been constructed on our present campus and plans for the new high school on the Yuma Mesa have been completed with the hope that it will be in use by September 1959.

Many other significantly successful activities are recorded in this book of memories, activities too numerous to mention here. May their memory serve in time as a happy reminder of years that will never be recaptured.

On behalf of the YUHS board of education and administrators, I would like to thank the teachers and students for their fine spirit and co-operation. To the graduates we wish godspeed and success in their chosen careers and endeavors.

W. R. Sirrime
YUHS Superintendent

BILL M. MANES, Principal

Being principal of a large school is no easy task. Ask Principal Bill M. Manes and he will acknowledge the fact he is kept quite busy with the numerous responsibilities that are required for the proper supervision of our school. He is, in addition, Student Council's advisor, and being a leading figure in community life, he has been called upon to give many speeches at local civic affairs.

Maintaining the school with the highest quality of supplies available and keeping the payroll straight, keeps Business Manager Clarence Hutchinson very busy. Requisitions from the teachers and other school personnel are only a few of the daily problems of Mr. Hutchinson and his business office staff.

CLARENCE HUTCHINSON, Business Manager

Administrators

JAMES EATON

James Eaton is Yuma High's capable registrar. Keeping track of two thousand students whose attendance is sometimes irregular keeps a man very busy. Registration of these many students can also pose a weighty problem but, like the master he is, Mr. Eaton always has things well in hand.

Vice-principal, John Allen, featured here, is the friend of all. No matter what the job, aiding the students, conferring with the faculty's problems, Mr. Allen is always busy.

JOHN ALLEN

EARL HACKBARTH

Guidance is his game; Mr. Earl Hackbarth is his name. Helping the students solve their many problems and aiding them in their quest of a high school education is Mr. Hackbarth's main duty.

PAT HODGES

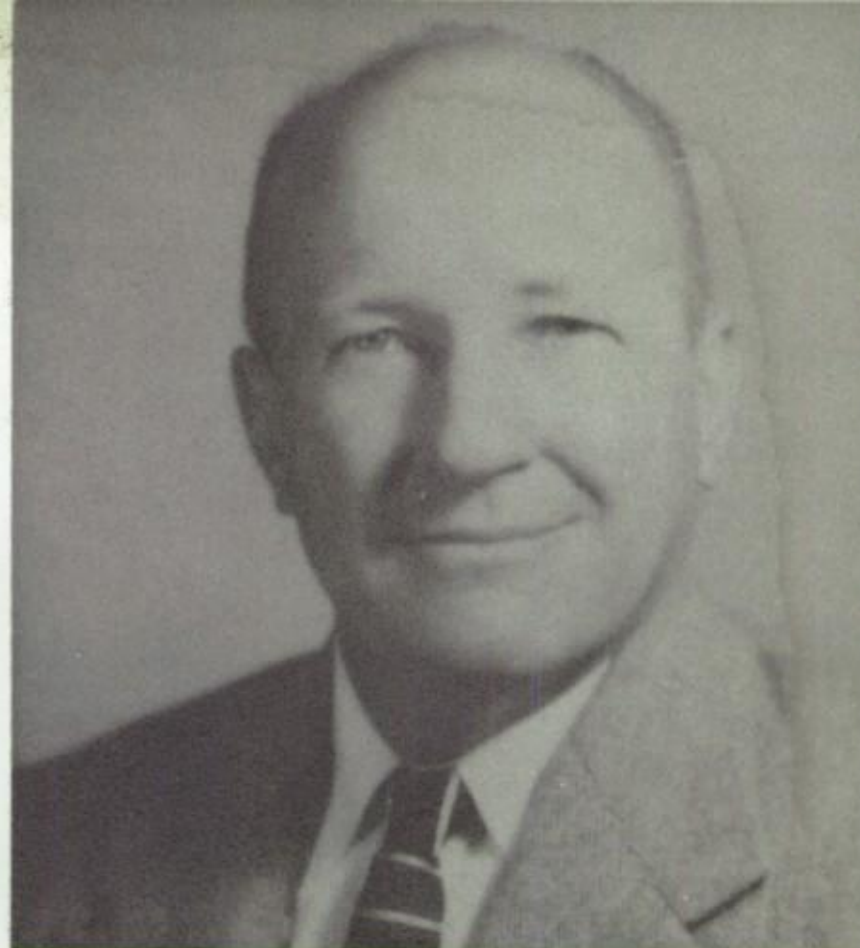

HELEN BENNET

School Board

Members of the school board are citizens who believe in the public schools of America and are willing to work for their continued improvement.

Each member has weighty responsibilities. The school board hires teachers, budgets appropriated funds, approves purchase of school equipment and supplies, and proposes school bond elections as expanding enrollments require.

Representation of the tax payers is a major responsibility of the school board. Life and activities on the Crim Campus are made more possible by the YUHS school board.

S. R. BLAKE, President

HORACE GRIFFEN

JOHN MOODY

These fine teachers make up the guidance department who help students solve their problems. They are (L-R) Mr. Hougnon, Mrs. Saunders, Mr. Solokiewicz, Mrs. Leonard, and Mr. Biltz.

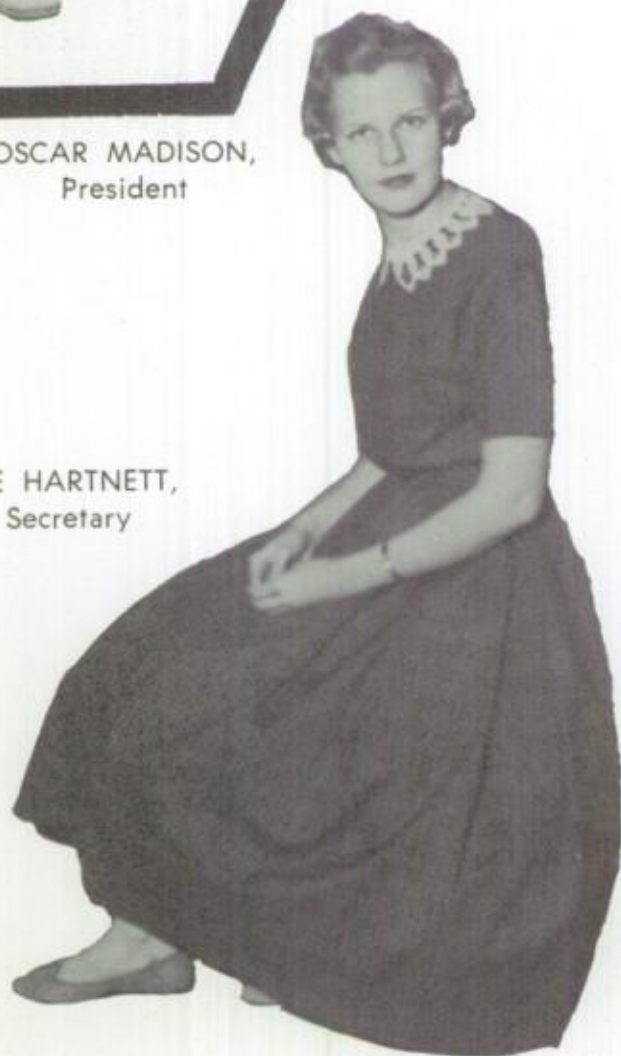

Student Body Officers

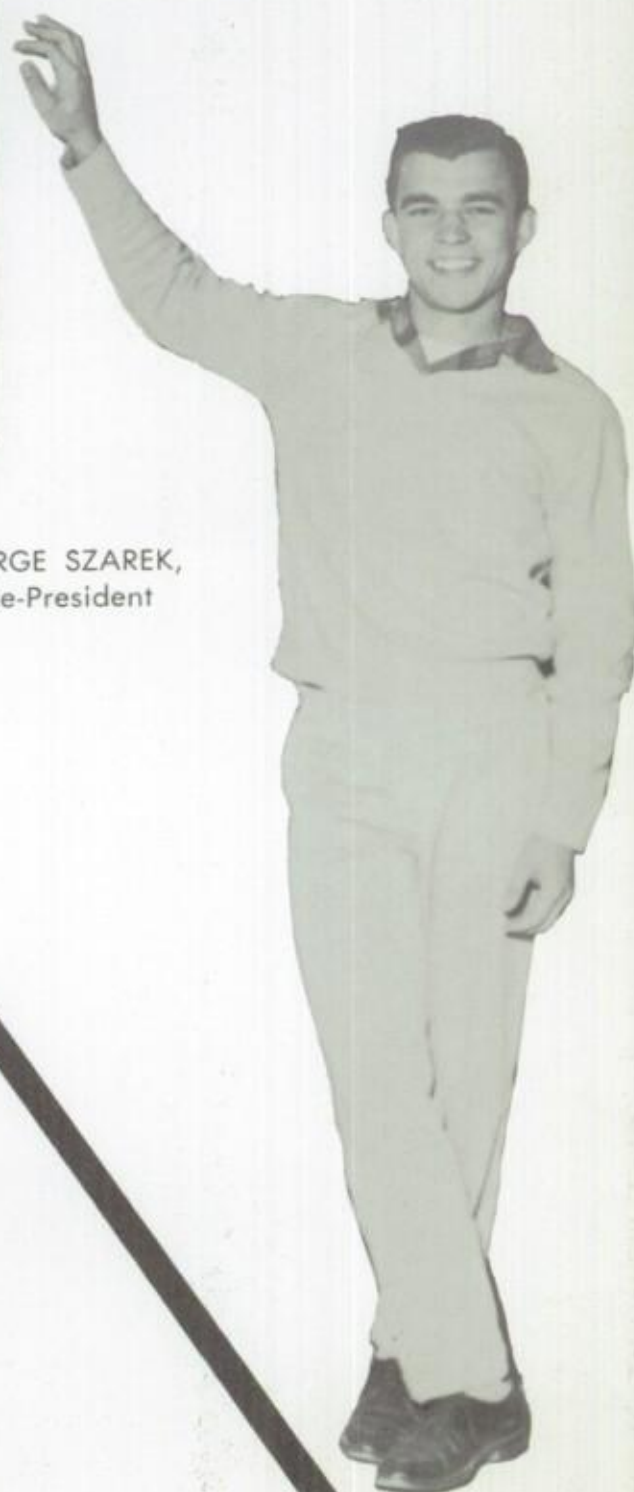

OSCAR MADISON,
President

RAE ANN MEINHARDT,
Treasurer

LEE HARTNETT,
Secretary

GEORGE SZAREK,
Vice-President

One of the highest of all honors that can be attained on the YUHS Campus is that of being elected a student body officer.

Life on the Crim Campus has been made better by our four industrious student body officers.

Members of Student Council are: (reading clockwise) Mr. Bill Manes, sponsor; Steve Copple, frosh representative; Linda Johnson, ex-officio member from SRAC; Harven Ng, sophomore representative; Art Durazo, social manager; RaeAnn Meinhardt, treasurer; Oscar Madison, president; George Szarek, vice-president and Chairman of the Student Council; Fred Kovac, publicity manager; Mickey Reedy, senior representative; Elva Warner, Girls' League representative; Gordon Storjohann, AMS representative; Enrica Gardinetti, foreign exchange student; and Len Copple, junior representative.

Student Council

Leaving a memorable year behind them were the members of the Student Council. Governing the student body and the handling of club earned money and bills are done by every council, but the 1958 YUHS Student Council did many other fine things. Buying curtains for the auditorium and a new car for the student bodies use are only two of the outstanding achievements of these fine industrious Crims. With the things the Student Council has accomplished this year our school will continue to prosper.

Student Representative Advisory Council is the legislative body that is the medium between the students, the Student Council and the administration. The purpose of SRAC is to take the problems of the students to the correct sources to get them solved. Every student in YUHS, therefore, has an opportunity to participate in the student government of the school by this method. The representatives give weekly reports to each class at YUHS.

Girls' League Council

"There's Nothin' Like Á Dame". This familiar phrase certainly holds true at Yuma Union High School. Our "dames" have done a wonderful job of providing the school with fun and service. All girls in school are automatically members of Girls' League. The Girls' League Council makes plans for all of their many activities. These girls work hard to see that all their projects are a big success. Their main activities this year were Twirp Season, Bow and Sucker Day, and the Mother's Day Tea. They started a new project for YUHS this year, the Big-Little Sister Plan. For their Christmas activity, they purchased clothes and school supplies for needy children.

ORD COX, President

Could we get along without our men? Most of the time we wouldn't even want to try! Associated Men Students is composed of the male population of YUHS. The AMS Council plans and supervises all AMS activities. These boys did a tremendous job with their projects this year. Their main event was the AMS Talent Show, which was a walloping success. They also contributed a large sum to the Foreign Exchange Fund.

The background of the page is a dark, textured surface. Overlaid on this are several thick, white, hand-drawn style lines that form a complex, abstract geometric pattern. These lines create a series of interconnected shapes, including rectangles and triangles, some of which are slightly offset or 'broken' at the corners, giving the design a dynamic and modern feel.

These administrative assistants have worked hard all year to help the students of YUHS. Anytime you need any help from them they are always willing to take time out from their jobs to help you solve your problems.

MRS. SEAMANS, Receptionist and Principal's Secretary

MRS. J. LEVENS, and MRS. M. STROBEL,
Registrar's Secretaries

MRS. MIDDLETON, Mimeograph Room

This capable cafeteria staff, led by Mrs. Rose Lee, turned out excellent meals for most of the YUHS student body this year. With deep regret, the Crim faculty and students said good bye to Mrs. Lee who had to take a temporary leave because of poor health.

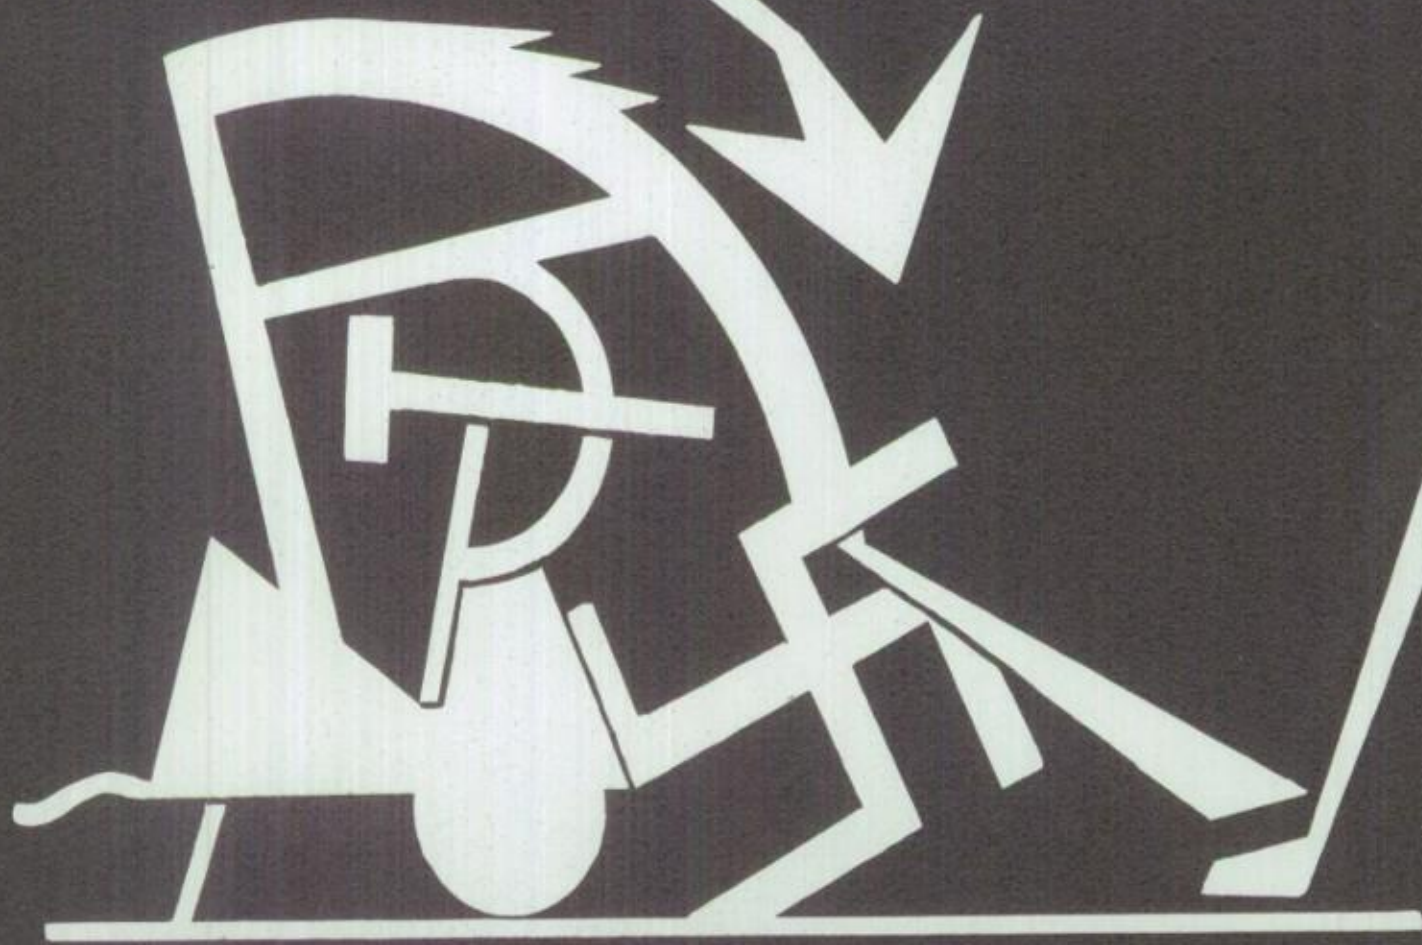

This courageous group of people play a major role in life at YUHS. Every day these men and women hold the lives of hundreds of YUHS students in their hands. Without these bus drivers the wheels of our school wouldn't go 'round.

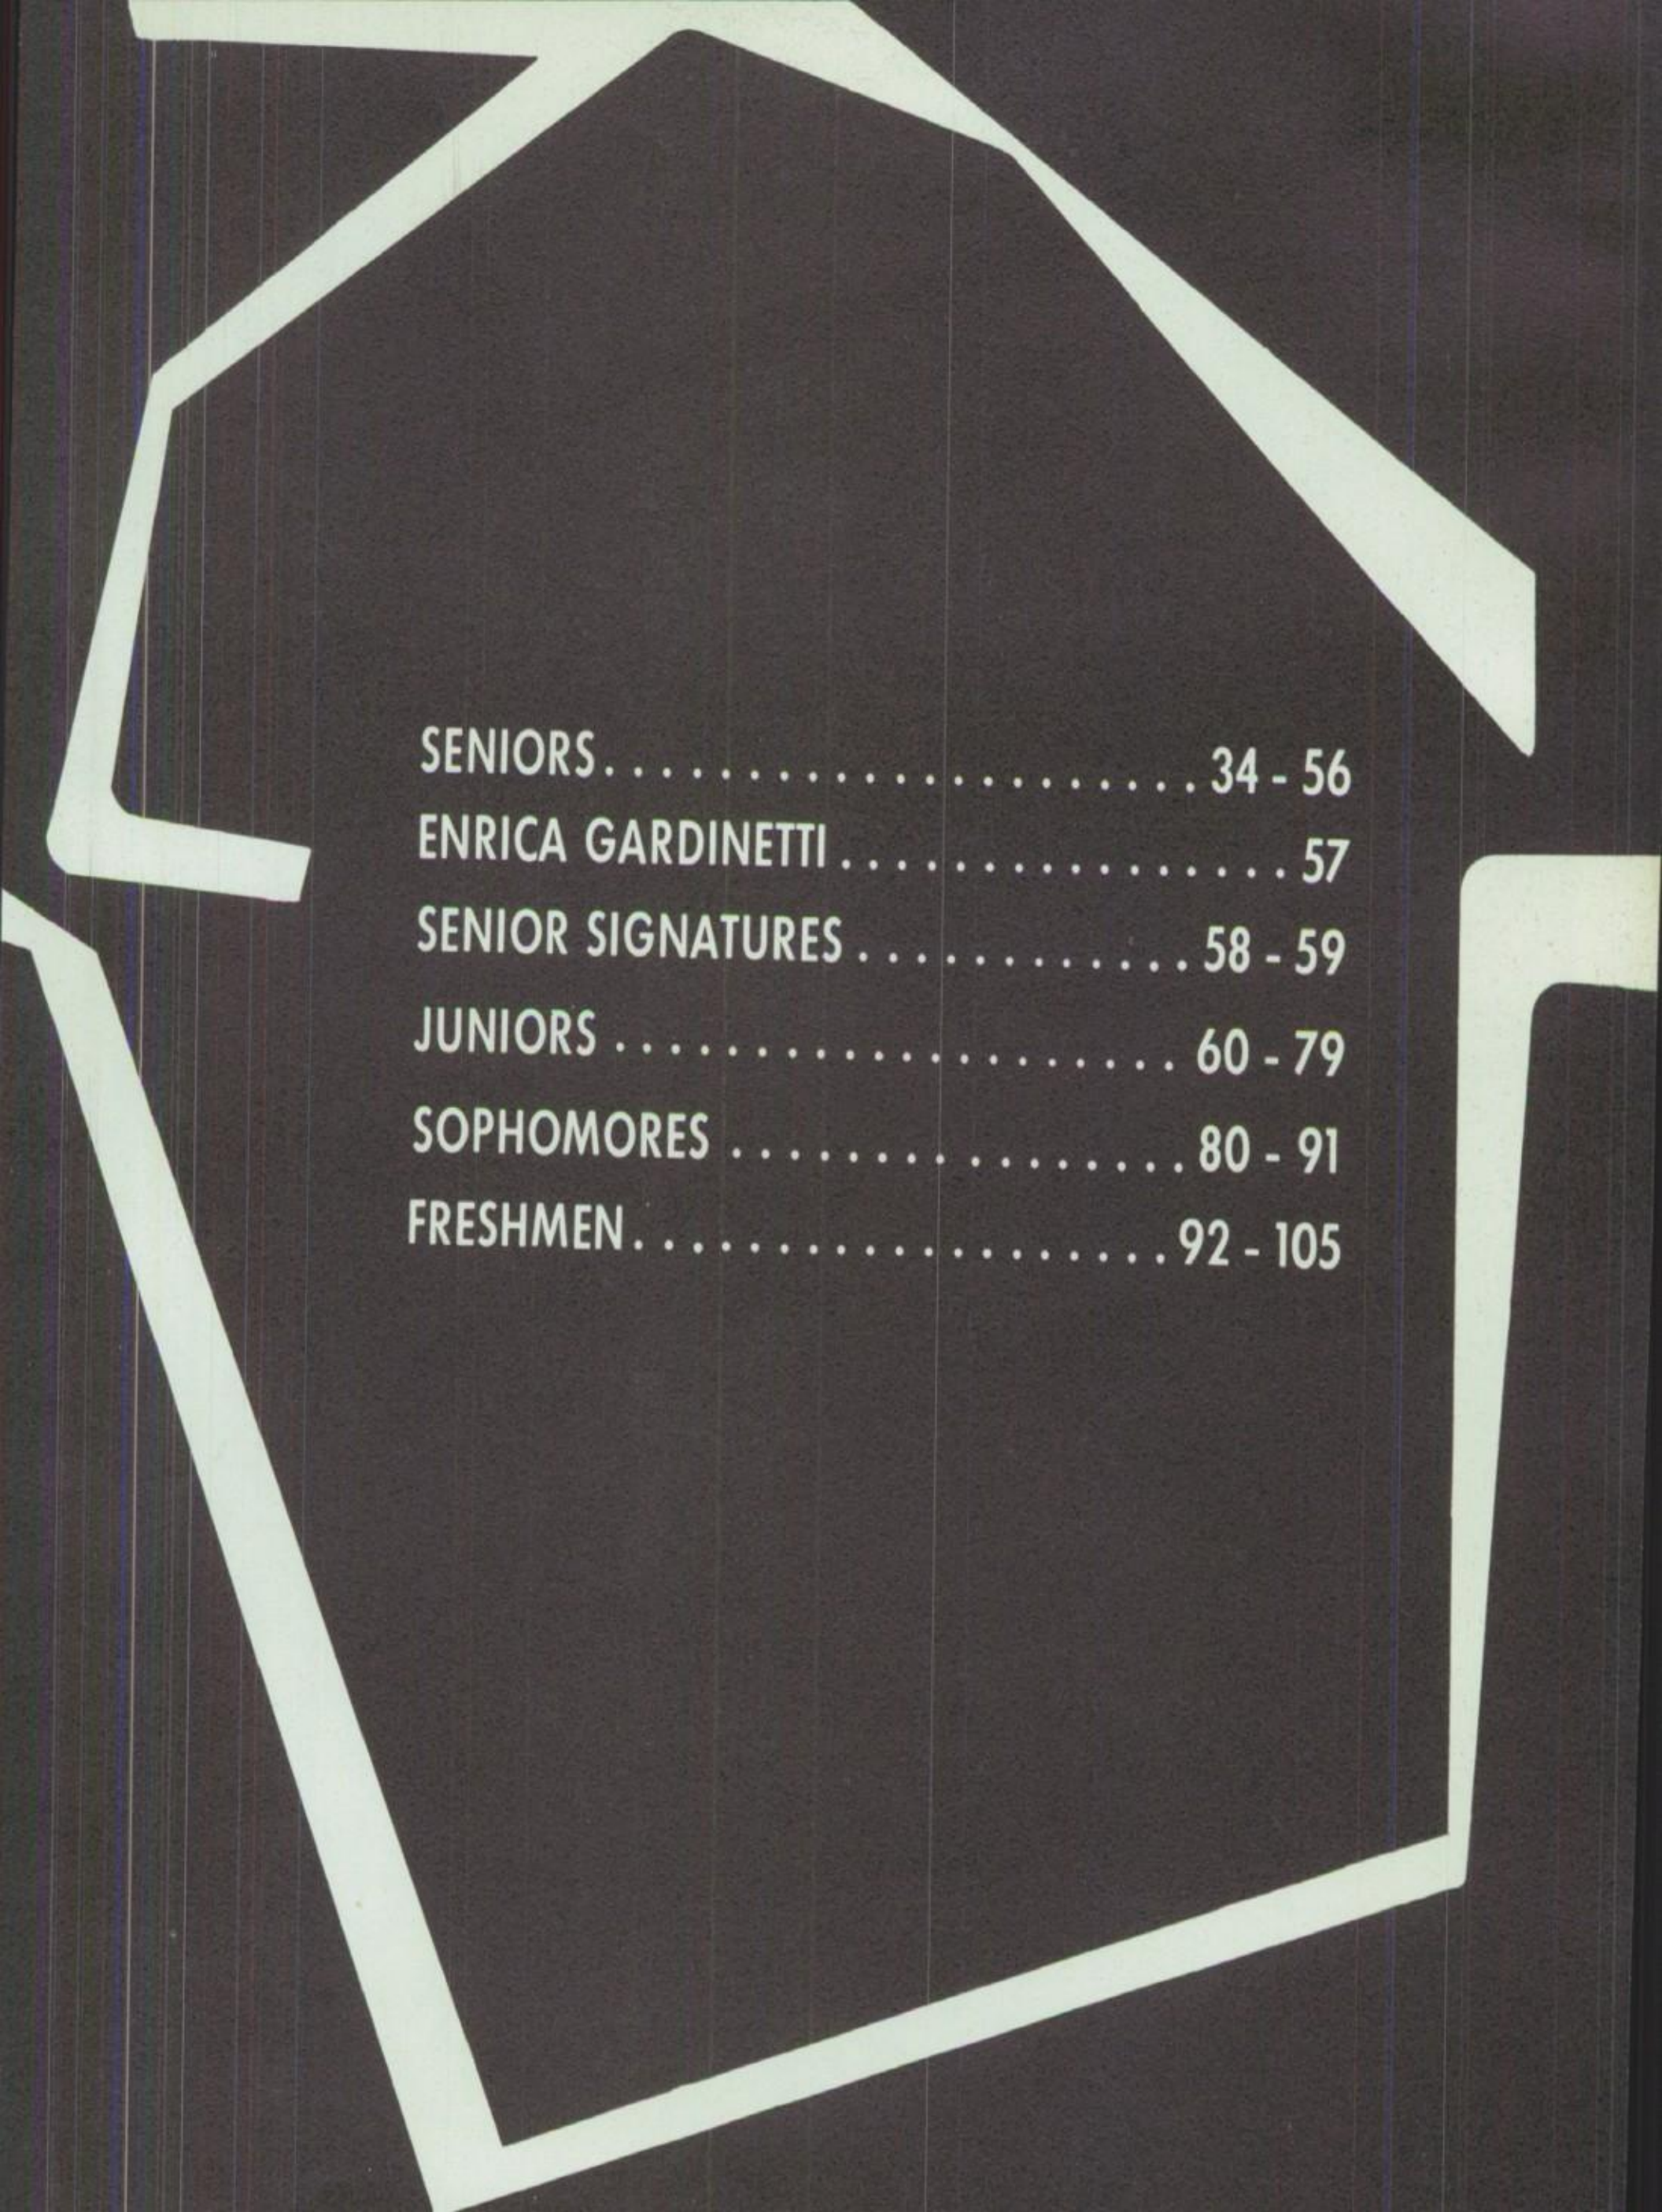

All of us at YUHS are used to seeing these hard working custodians trying to keep our halls clean. This is only one of the many jobs which they strive to do so well.

Seniors

It is almost impossible for the senior to realize the fact that his high school years are almost over; the years went by so fast. At times the senior becomes very sentimental when he thinks of all the good times and friends he has made at YUHS. The faculty and students won't forget the class of "58" for all the achievements and new ideas they contributed for many years to come.

"You Can't Take It With You", the Senior Class play, was one of many headline events that helped the seniors make possible their Annual Ditch Day. The Home Coming Game marked the selling of mums as the seniors paved the way to another truly great year in the history of YUHS under the understanding sponsorship of George Biltz.

Best of luck to the graduating seniors as they go forward in another step of their lives.

Enrica receives a token of friendship from the Student Body; Len Copple doing the honors.

Enrica Gardinetti, Y.U.H.S.' first Foreign Exchange Student, was a seventeen year old senior. Enrica will always be remembered for her sunny disposition and bright smile, as well as her scholastic ability.

Her home town is Milan, Italy, and she found Yuma quite different.

We hope that she will always remember Yuma, her friends, and her good times as being wonderful.

She made many friends.

Enrica stayed with the Coston family one semester, and the Bann family the other; there with Beba and Sylvia.

Enrica Gardinetti

Relaxing in her American home.

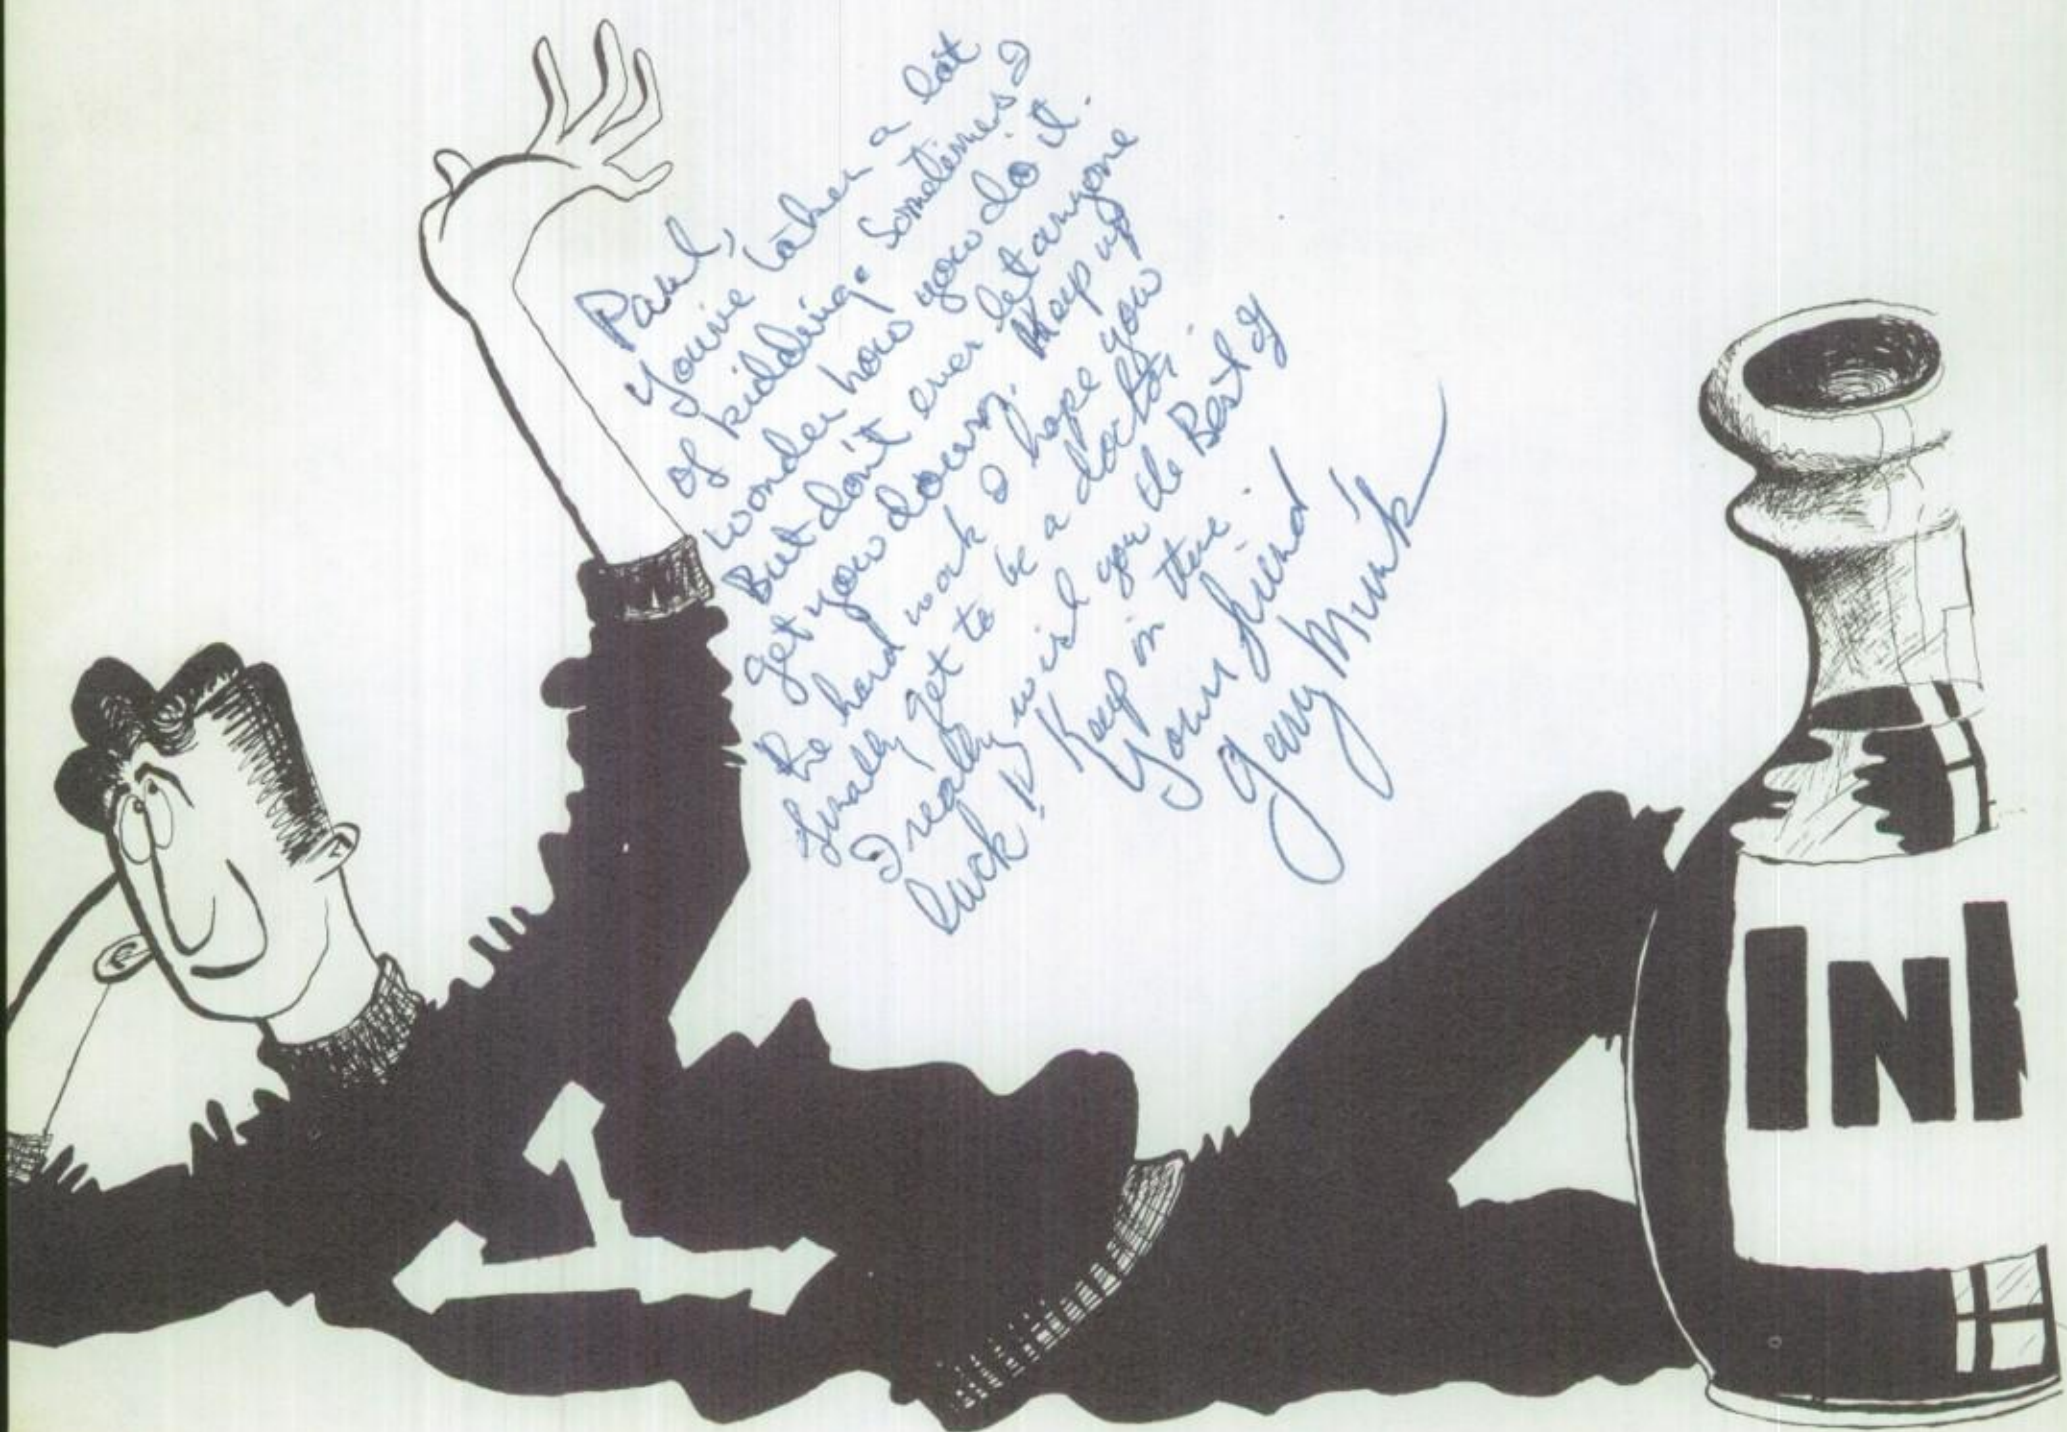

The boys took a shine to her and had her carry their books during Twirp Season.

Paul -
 I know I have
 given you a rough time.
 I hope you don't have any
 hard feelings.
 You're a real swell guy, Paul.
 My best always

SENIORS

Paul, I have a lot
 of kidding. Sometimes I
 wonder how you do it.
 But don't ever let anyone
 get you down. Keep up
 the hard work I hope you
 finally get to be a doctor.
 I really wish you the best of
 luck!
 Hang in there.
 Your friend

Junior Class officers, left to right: Wanda Bailey, Rick Starek, Bailey Nichols, Barbara Bann, Leonard Copple.

JUNIORS

After two hard years of study, these students have finally obtained the coveted position of upper-classmen. As Juniors, they can at last lord it over the lowly Freshmen and Sophomores, but they still must walk softly around the Seniors.

The Junior class presented a play entitled, "The Thirteenth Chair", from which the money to present the Junior-Senior Prom was obtained.

Leading them in their activities this year were their Junior Class officers, consisting of Rick Starek as president, Bailey Nichols as vice-president, Wanda Bailey as secretary, Barbara Bann as treasurer, and Leonard Copple as Student Council Representative.

One surely can tell that the athletic teams really rate around YUHS.

Sophomore class officers are: (L-R) Harven Ng, Ray Szarek, Judi Dora, and Bill Ryan.

SOPHOMORES

No longer freshmen the class of 1960 is now feeling their oats as they step up a notch and are now known as the sophomores. Being old hands in this thing of high school life, this class began to take a more active part in school affairs.

Sophomores were really wide awake at their election and elected four outstanding officials. Ray Szarek for president; Bill Ryan for vice-president; Judi Dora for secretary-treasurer; and Harven Ng for Student Council representative were elected to lead the class last year.

Freshman class officers are: (L-R) Mike Smith, Kelton Thompson, Steve Copple, and Bill Headstream.

FRESHMAN

Six-hundred plus strong, the class of 1961 invaded Criminal Hill with the spirit and vigor of an entire student body. At first they might have seemed bewildered and confused, and they had the right to be, but within the week the frosh had taken their places in YUHS.

This year the Freshmen were headed by Bill Headstream, president; Mike Smith, vice-president; Kelton Thompson, secretary; and Steve Copple, Student Council representative.

Ronny Stanton

Valedictorian

Leading his class in scholastic achievement is Ronny Stanton, Valedictorian for 1958. Physics and Chemistry, Math, and Lab Technician are among his preferred courses. Billiards and Sports are his hobbies. Ronny's future plans are to attend either the University of Southern California or Massachusetts Institute of Technology to work for a degree in theoretical nuclear physics. Ronny's opinion of High School is that the schools of today are more conscious of quantity rather than quality, and that the standards of High Schools should be raised. Congratulations and best wishes for success in your chosen career.

George Whaley

Salutatorian

Achieving the position of Salutatorian for 1958 is George Whaley. Mechanical Drawing and Physics are his favored courses while Sports, Music, and Sketching are his hobbies. Future plans for George are to attend the University of Arizona and to work for a degree in Electrical Engineering.

During his years in YUHS, George has participated in J.V. and Varsity Basketball and J.V. Baseball.

He feels that High Schools should offer accelerated courses for those who are able to progress at a rapid rate, and he too believes that the standards should be raised.

Crimis are very proud to claim you as a product of their school. Congratulations!

Attendants

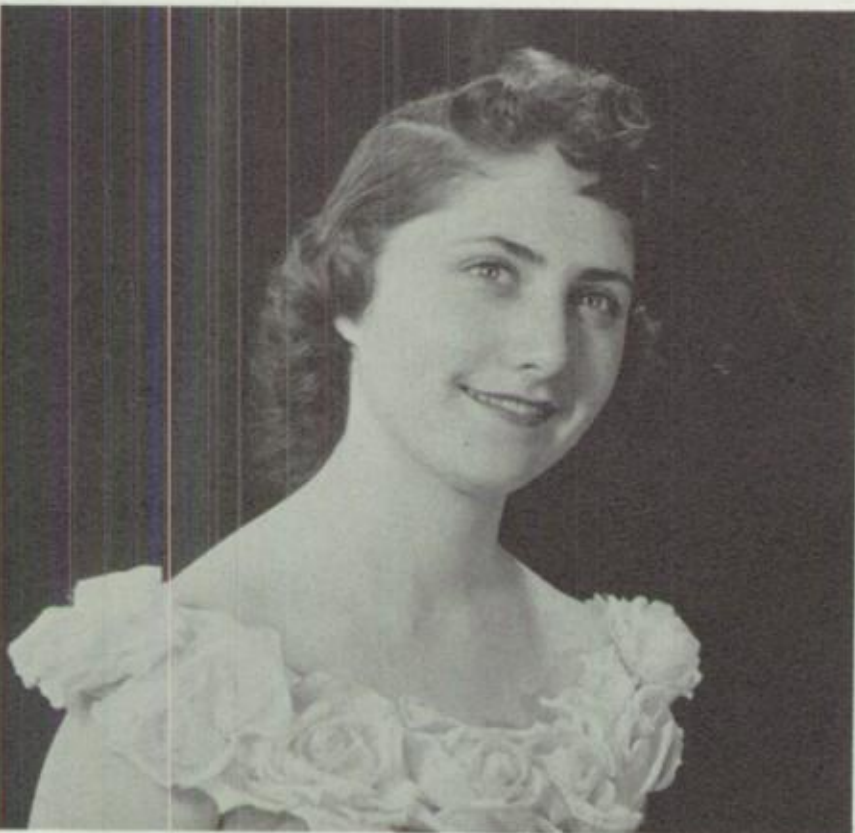

MARY RODDENBERRY, Senior Attendant

SHARRIE ST. JOHN, Sophomore Attendant

ATTENDANTS - 111

BARBARA BANN, Junior Attendant

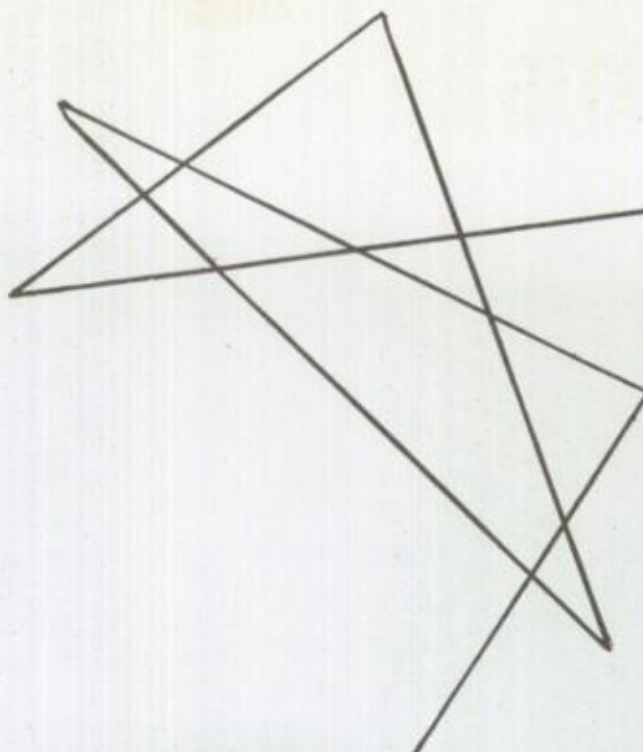

THELMA MADISON, Freshman Attendant

This beautiful lady and her lovely court reigned over the Y DAY Festivities this year. Splendidly arrayed in her gorgeous foamy white formal, Queen Frances and her attendants added beauty and dignity to our homecoming ceremony. The students of YUHS were proud of their choice, for our Queen and her court would have done justice to any school.

Future Farmers of America Sweetheart, Claudia Kornegay.

Commercial Leaders Sweetheart, Jeff Gilpin.

Girls' League Twitter King, Bailey Nichols.

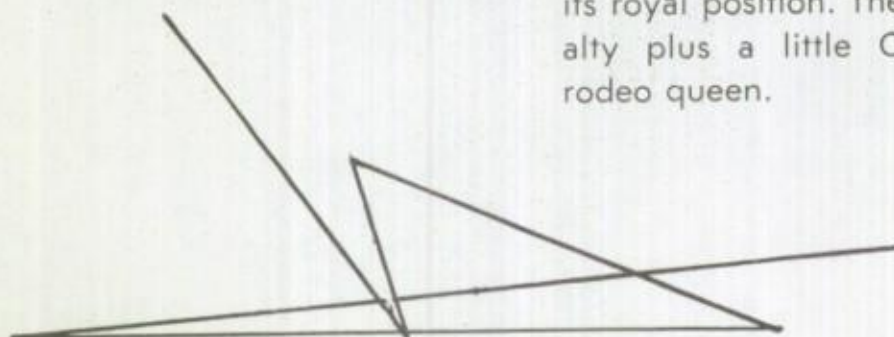

Band Sweetheart, Billie Mocnic.

Royalty

Different organizations on Campus select sweethearts or a king to represent them. It is an honor to be elected by the club for its royal position. These are the Campus Royalty plus a little Crim that was selected rodeo queen.

J.C. Rodeo Queen, Diane Borg.

Personalities

Mr. and Miss Personality, Paul Sanasac and RaeAnn Meinhardt.

Mr. and Miss Friendly, George Szarek and Lee Hartnett.

It is great to be well-liked and happy; these couples are living proof of the fact. They are the winners of the annual Popularity Contest sponsored by the YUHS Modeling Club.

There were no nominations for this title. Each student voted for any senior that he thought was top in these personality fields.

Mr. and Miss Cheerful, Freddy Kovac and Elva Warner.

Mr. Athlete and Miss Pep, Henry Montague and Betty Jo Engler.

Odds and Ends

It may be a little crude to title this page "odds and ends" because each of these teens is a little special. They have been elected to a state office, which is also an honor for the school, or they have received an award but each is a little different.

Who's Who

These students have been chosen to appear in the 1957-1958 edition of "Who's Who Among Student Leaders in High Schools of America", a national publication. They were chosen upon the basis of their co-operation, leadership in academic and extracurricular activities, citizenship and service to the school by the teachers of YUHS with the approval of Mr. Bill Manes, principal.

The complete list of students includes: Rae Ann Meinhardt, Carol Leonard, Leonard Copple, Marsha Davis, Lee Hartnett, Elva Warner, George Szarek, Linda F. Johnson, Caryl Rambo, Wanda Bailey, Ronnie Stanton, Annell Fisher, Dolores Cano, Suzanne Starmer, John Baker, Fred Kovac, Oscar Madison, Ord Cox, Art Durazo.

Science - Mathematics Fair Awards

Suzanne Irwin
Sweepstakes First Place

What a success the 1958 Math and Science Fair was! Sponsored by the YUHS Science and Math Departments and various community organizations, the Fair was held upon March 13-14. Prizes of \$50.00, \$25.00, \$12.50, and \$10.00 Education Fund Awards were given to the sweepstakes winners. All Division Blue Ribbon winners received a magazine subscription. The judges, Mr. John Droge, Mrs. Raymond Bennett, Mrs. Charles Powell, Mr. Edwin Hansberger, Mr. Sidney Swinford, Mr. Bruce Walker, Mr. Charles Biggs, Mr. Ernest Hill, Mr. Edward Uhl, Dr. Donald Tuttle, Mrs. Joseph Waterman and Miss Barbara Cook must have had a hard time in making their selections as all of the exhibits were outstanding. These sweepstakes winners will go to the Regional Fair in Tucson.

El Saguaro Staff

There was not a more crazy, mixed-up classroom at YUHS this year than M-104 Seventh period where much work was done and fun was had by the El Saguaro staff.

This was "The Year of Changes"; some of these changes may surprise you, but we bet that you will like them all. The El Saguaro was larger in size and in pages; it was printed on different paper stock; and this is the first year we have had an original black and silver cover; it was designed by Pete Golden. We had a new printer, and the annual was printed by a new process, "offset". We used outline, oval, and round pictures, reverse panels, picture advertising, action shots in the classes and teachers' pages; and each page was numbered, and what was on the page was printed on the outside corner. Four new divisions were added: Leadership, Honor, Fine Arts and Clubs. The activities as they happened by the month are in the Activities Division.

We, the El Saguaro staff, worked long and hard, and we did our best to publish a different El Saguaro that you, the Criminals of YUHS, would like.

Deadlines, advertising, page make-up, copy, and work all comprise each issue of THE THERMOMETER as the staff strives to produce a real life newspaper.

THE THERMOMETER is the official student publication of YUHS. This bi-monthly presentation of school activities carried a hard working staff of eighteen members headed by Editor Marsha Davis.

Under the capable advisorship of Tom Clarkin, THE THERMOMETER was highlighted by the production of 2 eight-page editions during the school session 1958.

This year's page editors were (L-R) Helen Gould, Mike Kenny, Sandra Smock and Annell Fisher.

Marsha Davis was editor and balanced the staff and paper.

Valentine's Day Dance Presented Jeffie Gilpin Chosen Sweetheart

Approximately 150 persons attended the annual Sweetheart Dance, sponsored by the Commercial Leaders on Valentine's Day.

Advisor Tom Clarkin

Jeffie Gilpin was chosen Sweetheart over three candidates. They were Jonnie Rae Burks, Rae Ann Meinhardt and Mary Roddenberry. Jeffie was awarded a bouquet of roses by Paul Sanasac. Receiving the door prize of a box of Valentine chocolates was Marvin Gross.

In addition to being sweetheart, Jeffie also had the lead in this year's operetta and is in the Peer Club, Modeling Club and Melod Club. She was the Rodeo Queen for 1957 and is currently singing with the Satellites singing group. She is also the accompanist on the bass for the Choralairs and is a member of the Concert Choir.

Shirley Breech was the chairman for the decorations committee for the dance and Jack Fritz and Lir den Woods were on the nomination committee for the sweetheart.

Sometime in the spring there will be a contest, sponsored by the

Concert Band

What a noise a group of this size could make, but under the direction of Mr. Eugene Shroyer the concert band performs in only the most professional style. This group is composed of the members of marching band with a few others included. They provide a variety of music for concerts and civic and school clubs. Let's give them a big hand for all their performances.

Mr. Shroyer, band director

Cadet Band

With only one more step to varsity band, the 54 cadet band members worked very hard to do the best they were capable of doing. This group, which was formally called the intermediate band, made many improvements in their playing.

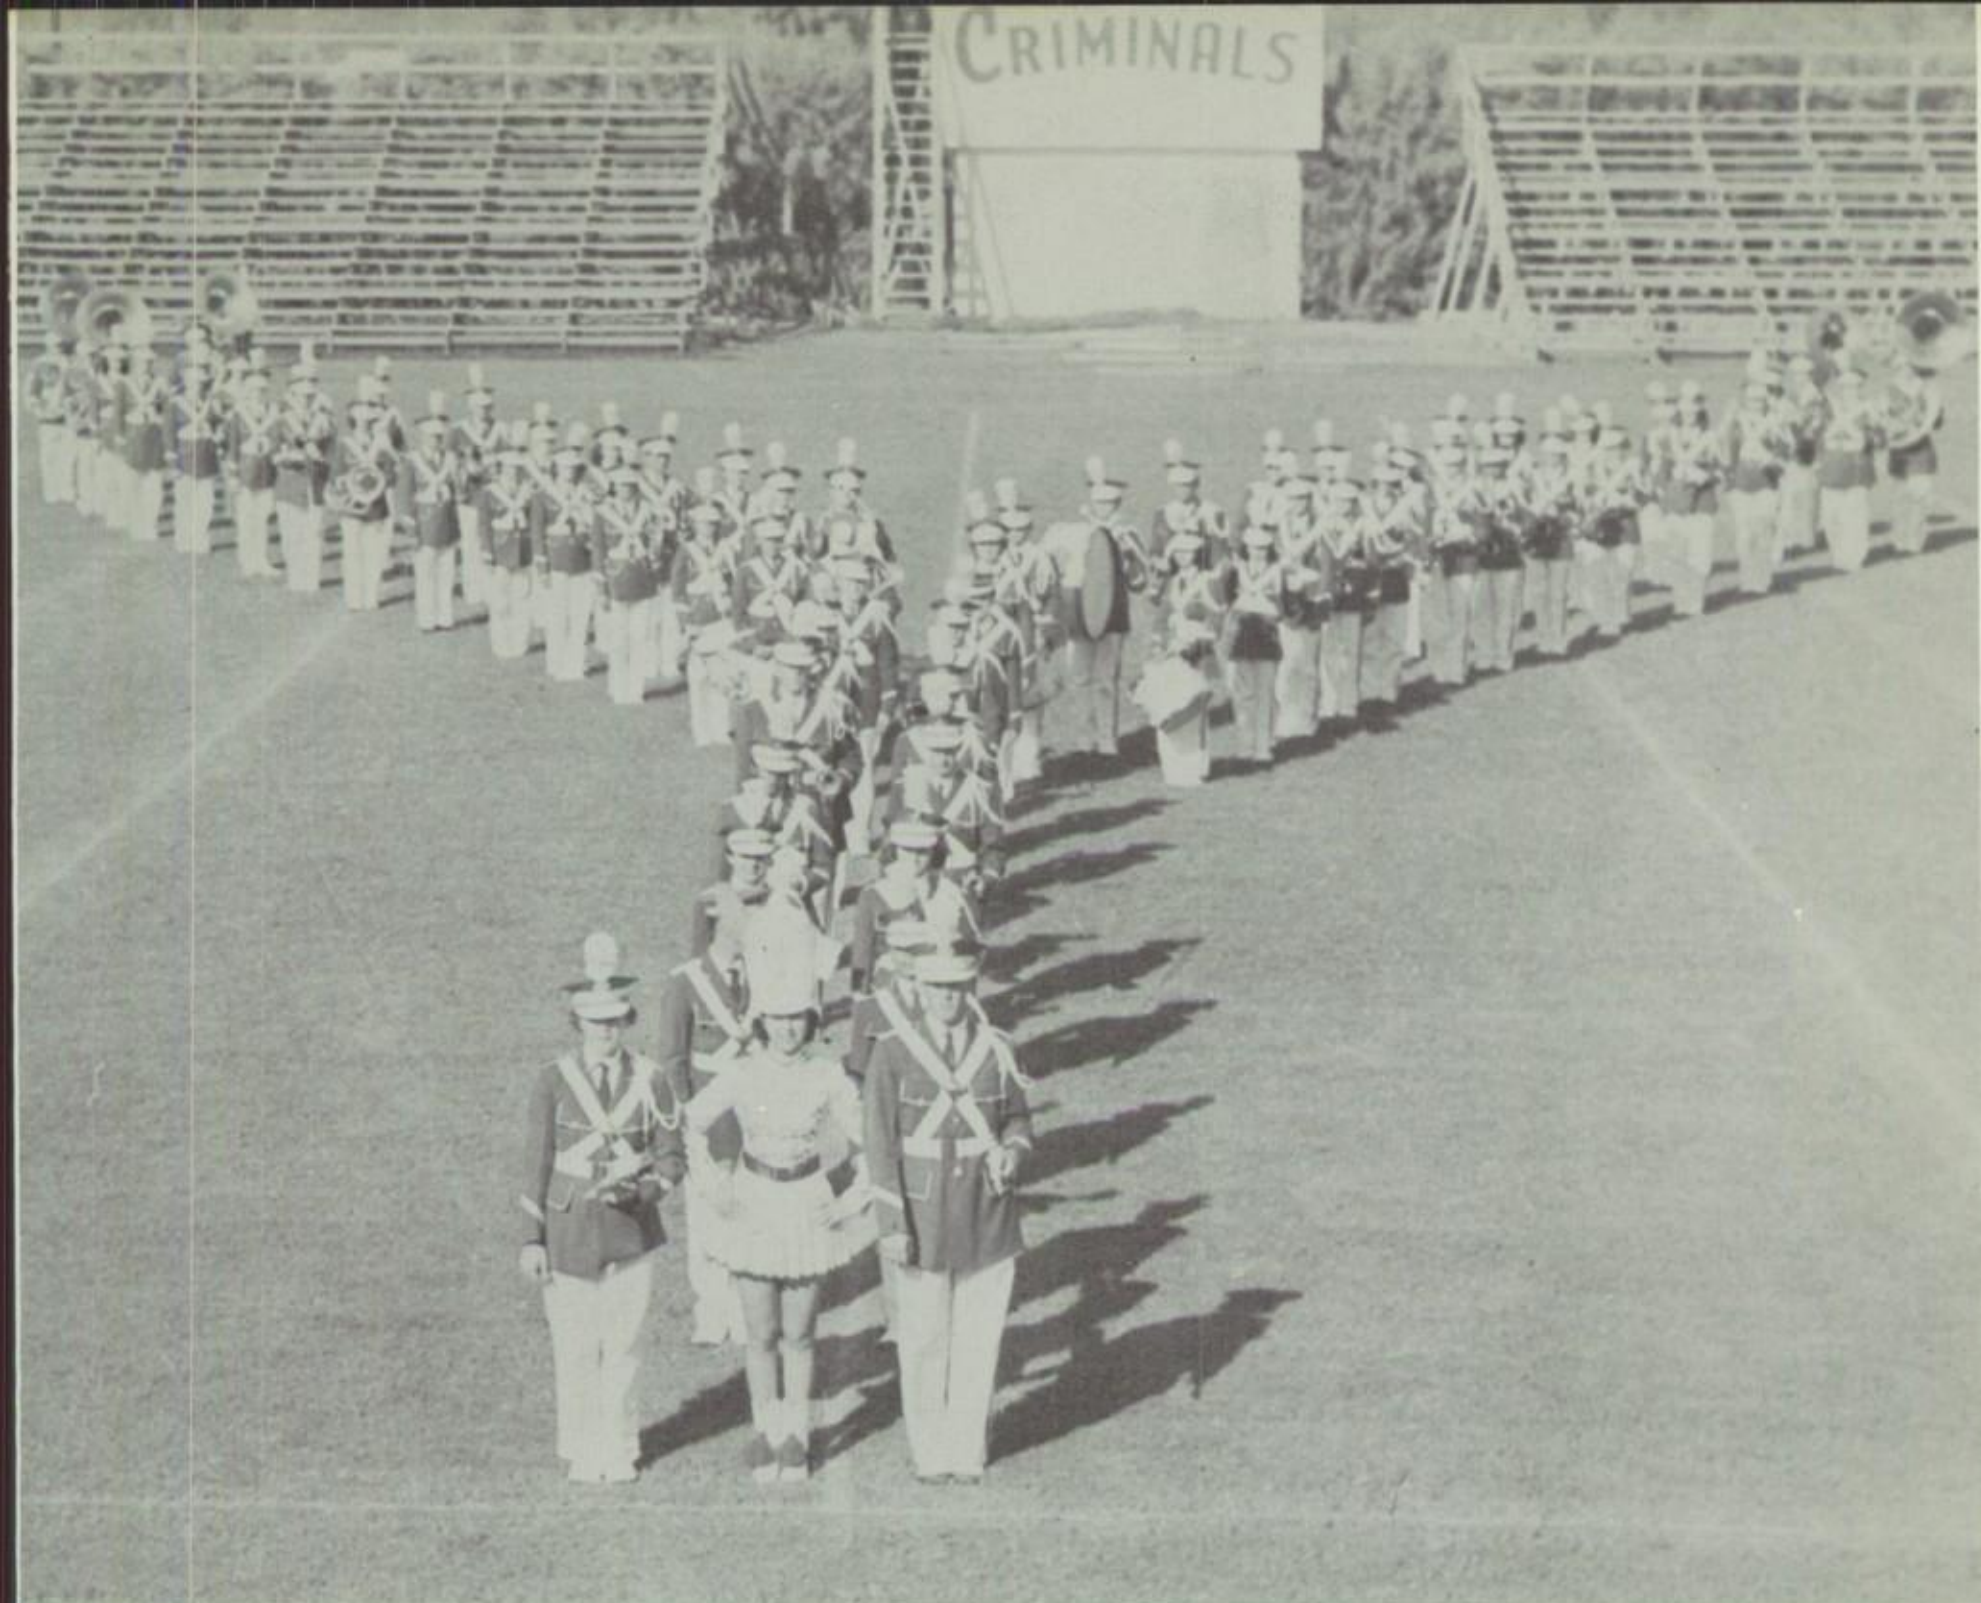

Matthew,

 excellent student. I know for

 Phillips

Adding color and sparkle to the YUHS Marching Band this year were drum majorette Gerri Foley and the majorettes Janet Smith, Linda Phillips, Margo Harris, Susie Chappell, Sarah Haight, and Barbara Bess. Their energetic performances in parades and at halftime entertainments are proof of their skill in mastering the art of baton twirling.

Marching Band

Oh, those aching feet! This and various other remarks were heard from the 85 members of the marching band after a series of intensive summer drills initiating a new show-band style for the half-time performances. Some of these performances were: Around the World in 80 Days; Asian Flu; A Royal Salute; and This is Your Life Enrica Gardinetti. During marching season the band took two out of town trips; one to Tucson for Band Day and one to Phoenix for an out-of-town football game. Also something that was new this year was our first annual Band Day in which the grammar schools participated.

Orchestra

Supplying good music for our own YUHS orchestra, the 27 members did a great job in all of their performances. Something new this year was the organizing of the Cleft Club which was open to all members of the orchestra.

Cleft Club officers and sponsor hold a business meeting.

Band members worked many long and hard hours getting our marching band in shape.

Drum majorette, Jerry Foley led the band in their performances.

Advanced Girls' Glee

Mixed Chorus and Beginning Girls' Glee are the babies of the music department. In order to belong to either of the advanced choirs, a student must have been in one of the other choirs first. Don't think that these choirs have a beginning sound though. They sound smooth and professional. Mr. Charles Knapp, their director, sees to that. During Christmas season, they participated in a program with the other choirs and the band.

Choralettes

Beginning Girls' Glee

Choralairs and Concert Choir

They travel along on wings of song! This may sound corny, but, if you're speaking about the Concert Choir and Advanced Girls' Glee, it's the truth. These two groups are the most advanced of the YUHS choirs, and it is an honor to belong to either of them. Under the capable direction of Mr. Robert Frazier, these students give performances for various programs and music festivals. The concert Choir, composed of 85 boys and girls, is much too large to travel to various service clubs etc. to perform, so twelve students are selected to represent the choir. These are the well known "Choralairs." The same thing is true of Advanced Girls' Glee; so they are represented by the "Choralettes".

Mr. Frazier, capable director, and Mrs. Mulcahy, choreographer, discuss a problem that has come up during rehearsal.

No clowning backstage, Butch!

"Best Foot Forward," the musical comedy presented by the Melody Club this year, was pronounced a hit by everyone who saw it. Taking place at Winssocki College, it was the story of a naive, young college boy, Bud Hooper, who gets involved with a glamorous movie star, Gale Joy. You can imagine the complications that would occur as a result of his adventure. These troubles form the hilarious plot of the play. Lively tunes and sparkling dance numbers added more interest to this fine performance.

You can depend on the Three B's to liven up the play.

"It's a charming dance, Professor Lloyd", says Jackie Haggerty.

Hunk and Minerva even danced in the schoolroom!

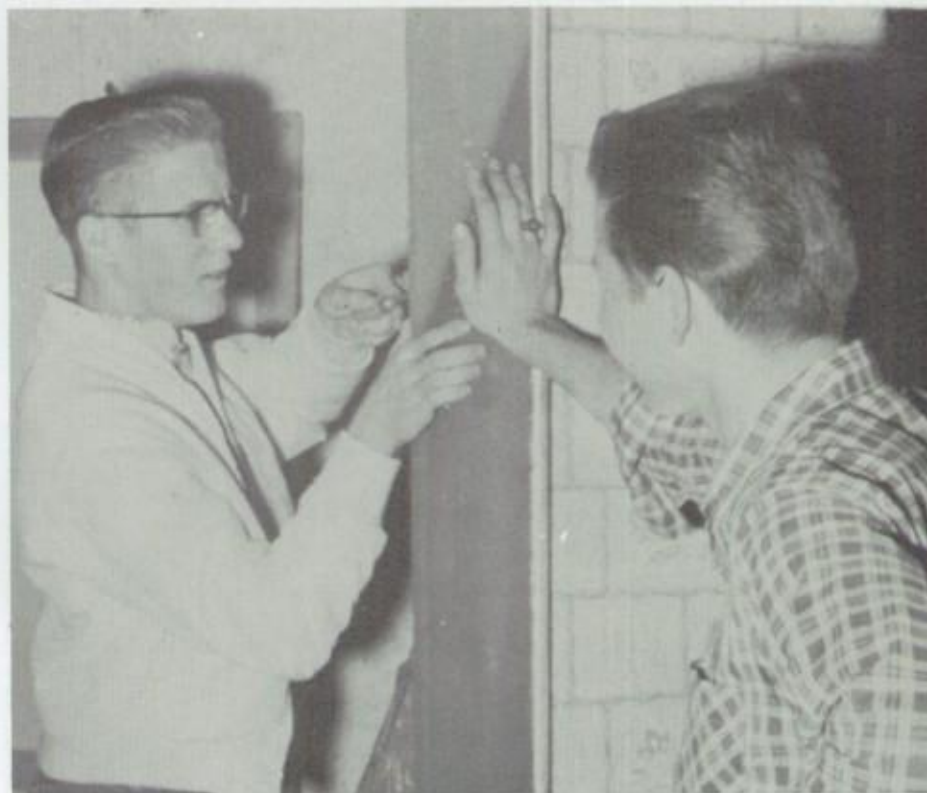

"You Can't Take It With You"

Senior Class Play Cast

Mr. John Weston, Director

John Baker and Harry McKee work on the sets for the Senior Class Play.

Watch out June Thompson! Lau Ree Coleman is a fiend with that make-up sponge.

Success of a play doesn't depend entirely upon the actors, but to some extent rests also on the work done backstage. One of the reasons for the enthusiastic reception accorded this play was the whole hearted effort put into the backstage work by all the different production crews.

Time out for a pep talk!

Linda Johnson, Penny Sycamore

Paul Sanasac, Grandpa Vanderhoff

This year's choice for the Senior Class Play was Moss Hart and George S. Kaufman's smash hit, "YOU CAN'T TAKE IT WITH YOU". Everyone who saw the production acclaimed it a huge success.

The story took place in the unusual household of Martin Vanderhoff in New York City. Mr. Vanderhoff had a questionable philosophy of life. He didn't believe that he should do anything that he didn't want to do. Such a philosophy brought many problems to the household. These predicaments formed the main plot of the play.

Inspector Donohue accuses Helen O'Neil of murdering Wales and Lee.

"The Thirteenth Chair"

Is the number thirteen unlucky? The Junior Class proved that it was when they presented "The Thirteenth Chair". This play, written by Bayard Veiller, is a fast-moving story, full of excitement and intrigue. The main character is a trance medium, Madame Rosalie La Grange, who comes to the Roscoe Crosby home at the request of Edward Wales. Mr. Wales wants to find out who killed his friend, Spencer Lee and he and Madame La Grange have planned to scare the murderer into confessing. Just as she is about to reveal the murderer's identity, Mr. Wales falls over dead. Tough, efficient Inspector Donohue takes charge of the investigation and the rest of the play is taken up with discovering the murderer. It has a surprise ending with a very eerie twist.

The guests watch, mystified, as Madame La Grange goes into a trance.

Rosalie La Grange pleads her daughter's innocence to Inspector Donohue, as Mr. Crosby holds Will to keep him from hitting the Inspector.

Mr. John Reidy, director of the play, is a newcomer to Yuma Union High School. He has just been substituting this year, but hopes to teach here full time next year. It was especially difficult for him to direct this play because he didn't know any of the cast, but he did a wonderful job and the Junior Class was proud to have been able to have him as their play director.

"Death Takes A Holiday"

Corrado rescues Grazia after she has fainted.

This is just a sample of all the work that had to be done backstage.

Grazia declares her love for Prince Sirki as she pleads with the Duke.

"Death Take A Holiday" was the play presented by the YUHS Drama Club this year. Written by Alberto Cassella, it was a powerful and moving fantasy in which Death took a three day vacation and journeyed to the human world to learn about life. During all this time there were no deaths anywhere. While he is a mortal, he falls in love with a beautiful girl and through her and her family, realizes why mortals fear him so.

Creating enthusiasm for scholarships and stimulating a desire to participate in school activities are the main purposes of the **NATIONAL HONOR SOCIETY**. The NHS had a booth at the Pep Club Carnival, talked to the Freshmen on leadership and scholarship and co-sponsored the Home Coming Dance. Also, Spring and Fall initiations were held. Officers include President, Ronnie Stanton; Vice-President, George Whaley; Secretary, Suzanne Starmer; and Treasurer, Virginia Hopson

Otis Bristow,
President

Any Crim that belongs to the **RIFLE CLUB** scores a sure hit. He learns to use firearms safely in addition to correct hunting procedure. Rifle matches between YUHS, Tucson, and Phoenix were main events of the year. The members also participated in state rifle matches. Officers for this year were: President, Otis Bristow; Vice President, Annell Fisher; Secretary, Sandy Steele; and Treasurer, Jan Vaughan.

Serving others is a pleasure rather than a duty for members of the **ANCHOR CLUB**. A deep feeling of satisfaction is derived from participating in the momentous activities of this spirited club. These activities include: a membership party, a breakfast for members and guests in April, and these girls also sponsor a dance to help raise money for their annual project. Officers this year were President, Beverly Searcy; Vice President, Sue Groenert; and Secretary-Treasurer, Billie Mocnik.

"Wow, what a girl." Only the cream of the crop is good enough for the **MODELING CLUB**. These girls are the beauties of YUHS. The popularity contest, the Spring style show, and the Modeling Club workshop are the main activities of this club. Other activities include preparing fashion programs for Crims and other organizations in the Yuma area. This years officers include President, Jonnie Rae Burks; Vice President, Linden Woods; Secretary, Patti Allebrand; and Treasurer, Sylvia Coston.

"Bring all your friends and come to the **PEP CLUB** Carnival." This phrase was heard many times during those anxious days before the carnival. By obtaining a certain number of points or by becoming a cheerleader or songleader, "you too" may become a member of the Pep Club. This club promotes school spirit through activities such as the Bonfire Rally and other rallies for all athletic games. Officers this year included President, Jeanne Lawrence; Vice President, Linda Shawn; Secretary, Jeffie Gilpin; and Treasurer, Marsha Davis.

Have you ever wondered who plans fire drills and lays out the escape routes? The **FIRE COMMISSION**, under the watchful eye of Mr. John Allen, perform this important task. Under the capable leadership of President, Earl Burnett; Vice President, Vincent Schulte; and Secretary, Karen Cunningham, these Crims contribute greatly to the safety of students of YUHS.

Fairs, field days, contests. These are all eventful happenings in the lives of Crims who join either the **SENIOR** or **JUNIOR FUTURE FARMERS OF AMERICA**. The future of Yuma's agricultural success rests heavily on the shoulders of these Crims who will soon be a part of it. These clubs sponsor a dance and pick a sweetheart. Boys in either Sr. or Jr. FFA get actual experience by working on the school farm and individually selected farm projects. Sr. FFA officers this year were: President, Royce Drysdale; Vice President, Les Kammann; Secretary, Ernie Mashler; and Treasurer, Bill Johnson. Jr. FFA officers were: President, Bill Vance; Vice President, Richard Cuming; Secretary, David Escher; and Treasurer, George Phillips.

Bill Vance,

John Baker,
President

Criminals' thirsts are quenched by the **WARDENS CLUB**, whose members sell cokes at home football games to finance their main project of buying books for needy students. Western Days, the Lettermans Banquet and the annual Spring trip are the main activities of this active club which is composed of school leaders who have earned at least 14 All-School Award points. Officers this year were President, John Baker; Vice President, Jim Rose; Secretary, Mary French; and Treasurer, Virginia Hopson.

Leading the commercial world of tomorrow will be some of the members of the **COMMERCIAL LEADERS CLUB** of today. Typing and shorthand contests, selling basketball boosters, and featuring a "Sweetheart Ball" are some of the outstanding activities of this busy campus club. Officers his year were President, Gerri Parkinson; Vice President, Suzanne Starmer; and Secretary-Treasurer, Mary Roddenberry.

As the students of YUHS walk through the halls of Snider and smell food cooking they may well understand a part of what the **SENIOR AND JUNIOR FUTURE HOMEMAKERS OF AMERICA** strive for — perfection in homemaking. A box supper with FFA, a formal initiation, a Valentine cookie sale and a coketail party are the events which stirred the Crims in Sr. & Jr. FHA this year. Senior FHA officers this year were President, Louis Wright Britain; Vice President, Donna Hunt; Secretary, Linda M. Johnson; and Treasurer, Barbara Windsor. Junior FHA officers included President, Carol Westover; Vice President, Mary Ellen Amavisca; Secretary, Marilyn Mitchell; and Treasurer, Mary Jane Ponn.

Carol Westover,
President

Believing that the lives of teachers need not be dull, students interested in education as a career join the **FUTURE TEACHERS ASSOCIATION**. School Visitation Day is only one event in the busy lives of these club members. Since the appearance of Sputnik, teachers are in greater demand than ever. These Crims realize this demand and are planning now to do something about it. Future Teachers officers this year were: President, Dolores Cano; Vice President, JoAnn Amavisca; Secretary, Dora Cano; and Treasurer, Joyce Edwards.

Annell Fisher,
President

What may seem a tangled-up mess to most of us is just another problem to Crims in the **MATH CLUB**. A math contest in which any student may take part is the biggest event of the year for these future Einsteins. For their initiation, the members came to school dressed as a famous mathematician. Math Club officers this year were: President, Annell Fisher; Vice President, Paul Slosser; Secretary-Treasurer, Ione Hague.

Dolores Cano,
President

Charles Urtuzuastegui,
President

In addition to studying the language, Crims in the **LATIN CLUB** learn about ancient Roman life and customs. The Saturnalia Banquet attracted many students dressed in Roman garb. A sunrise breakfast and a clothes campaign are other interesting activities. To be initiated into this club meant going through the Underworld, or Hades. Officers this year were President, Charles Urtuzuastegui; Vice President, Harven Ng; Secretary, Lynda Phillips; and Treasurer, Judi Dora.

Jim Rose,
President

Only honorary "inkslingers" who have contributed to YUHS publications may become members of the **QUILL AND SCROLL**. Highlights of the year include the Inklinger's Ball where annuals were distributed, and the Quill and Scroll Banquet at which the R. E. Osborne Memorial Trophy was awarded. Officers this year were President, Jim Rose; Vice President, Helen Gould; and Secretary-Treasurer, Sandra Smock.

Dreaming of the day when they will don their white caps, these members of the **FUTURE NURSES CLUB** meet together to share their interest in the field of nursing.

The students in Future Nurses worked hard putting on a dance, a picnic, and an initiation this year. Officers include President, Dorothy Lee; Vice President, Betty Higuera; Secretary, Rosemary Hoffmann; and Treasurer Jacque Foley.

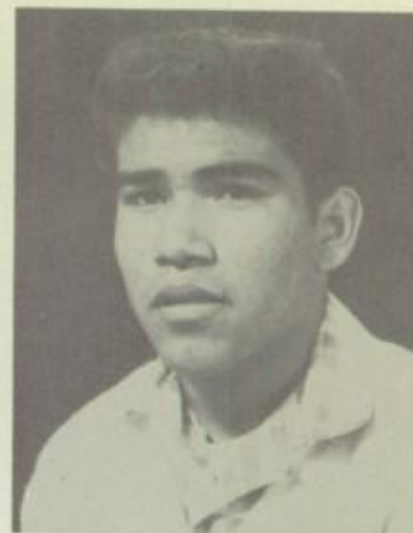

Adding a splash of color to YUHS this year are the members of the **ART CLUB**. An initiation and the Beaux Arts Ball are the activities in which Crims in the Art Club participated. Art contests and a Rodeo Parade float are other events in the busy lives of these artists. This years officers were President, Carolyn Tranthum; Vice President, Kirsten Fuller; and Secretary-Treasurer, Rose Mary Monson.

Both big and little bruisers earnestly work on track, field, or in the gym to win the coveted block "Y" of the **LETTERMAN'S CLUB**. The social affair of season is the banquet at which athletic awards are presented. Lettermen earn money by sponsoring the Donkey Basketball to provide gym equipment for needy Crims. Letterman officers were President, Jack Villa; Vice President, Jack Fritz; and Secretary-Treasurer, Jan Simmons.

Alert eyes detect many mysterious things in the heavens above. Clear weather and fine telescopes made it possible for the **ASTRONOMY CLUB** members to participate in such valuable activities as Operation Moon Watch. Other activities include the Martian Hop, participation in the Pep Club Carnival and observations of the stars. This club also made a tri-pod for its six-inch telescope. Officers this year were, President, Kenneth Higgenbottom; Vice President, Tom Hazen; and Secretary-Treasurer, Susan Langley.

"Be sure to get your Science Fair entries in." This is one of the most prominent activities on the Crim campus and it's always a great success. The **SENIOR SCIENCE CLUB** has taken many educational trips during the year. The **JUNIOR SCIENCE CLUB** organized a panel discussion group and sponsored a football dance. To be a member of one of these clubs, you must be interested in science, and must be making a 2 grade or better in your science course. Officers this year were Senior Science President, Dale Stevenson; Vice President, Gordon Storjohann; Secretary, Carol Leonard; and Treasurer, Annell Fisher. Junior Science President is Suzanne Irwin; Vice President, George Eads; Recording Secretary, Joan Gardiner; Corresponding Secretary, Bonnie Echols; and Treasurer, Frances Bryan.

Peanuts! Come and get your fresh, roasted peanuts! The Kiwanis-sponsored **KEY CLUB** sold peanuts at all the home football games! Money from this and their other projects helps buy glasses and school materials for needy teenagers. Also active in G.O.C., they sponsored a dance, sold soft drinks at Kiwanis Kid's Day and sent representatives to the Key Club convention in Taos, New Mexico. To be eligible for this all-boy club, the boys have to maintain a 3 average and be voted in by old members. Officers this year were: President, Jim Brown; Vice President, Leonard Copple; Secretary, Matthew Wong; and Treasurer, John Baker.

When a boy joins the **FISHERMAN'S CLUB**, he's in it hook, line and sinker. He has fun participating in the overnight camping trip and the fishing trips held during the year. Later on in their years, these Crims will know how to relax through the sport of fishing. The club's officers include: President, Doug Stanley; Vice President, Mike Bradford; Secretary, Jackie Phillips; and Treasurer, Gary Craddock.

DRAMA CLUB

It's no "snap" to be a member of the YUHS **Drama Club**. All Crims in this club toiled hard on the Drama Club Play, "Death Takes a Holiday", which was held in January. Students of the club took a trip to El Centro to see a play which helped them to learn more of the theatrical business. At the annual Drama-Thespian Banquet, these industrious actors and actresses received their coveted "Oscars". Officers this year were President, Linda F. Johnson; Vice President, Jaye Jarratt; Secretary, Sandie Scott; and Treasurer, Gary Munk.

PHOTO CLUB

"Look at the birdie". Uniting to learn more about their favorite subject, these Crims joined the **Photo Club**. Future shutterbugs participate in such activities as a local field trip and a trip to Disneyland. Much of the school's photography was done by this active club. Officers include President, Dave Hossler; Vice President, Peter Ng; and Secretary-Treasurer, Chonita Romo.

"Wow, what a club." It's the new **"Z" CLUB** on the YUHS campus this year. "Growth through Service" is the motto which the girls apply to their lives through service to their community. In February they held a charter banquet honoring their mothers. "Z" club officers were President, Barbara Hartman; Vice President, Donna Phillips; Secretary, Bonnie Hosford; and Treasurer, Claudia Guidero.

Capturing the curtain calls on the YUHS stage this year were the members of **NATIONAL THESPIAN TROUPE 105**. To be eligible for membership in this "illustrious" society, one needs to earn 10 Thespian Points by participation in school productions. The major aim of the club is to develop an interest in dramatics among high school students. Their activities this year were the Annual Awards Presentation Banquet, in co-sponsorship with Drama and Melody Clubs, and their One Act Play for the Arizona State Speech and Drama Festival. They also co-sponsored a dance with Key Club.

Perfection in music. That's all it takes to be a member of the **LYRES CLUB** which is one of the busiest clubs on campus. Activities include Band Day at Tucson, participation at all football games, the Lyres Club Dance, a picnic, Armistice Day Parade, Rodeo Parade, a Christmas performance, an initiation and the initiation picnic. Officers this year were President, Milton Johnson; Vice President, Ronnie Burrige; and Secretary-Treasurer, Billie Mocnik.

Beep! Beep! Beep! Tracking Sputnik was really a highlight of the year for these future "hams". Trips to Vincent Air Force Base and to KIVA were among the educational activities of the **RADIO CLUB**. Guest speakers come to evening meetings and code classes are held at noon. The club project for the Science Fair from this club is an amateur station. Radio Club officers include President, Gary Fell; Vice President, Andy Christian; and Secretary-Treasurer, Ken Van Horn.

Gary Fell,
President

If a girl takes pride in her athletic abilities, the **GIRLS ATHLETIC ASSOCIATION** is for her. While striving to improve these abilities, the girls have fun participating in many activities held during the year. Activities include: Sadie Hawkins Day, Girl Date Boy Dance, G.A.A. Award Banquet and an Intramural Program. Officers include: President, Dora Cano; Vice President, Yolie Munoz; Rec. Secretary, Marcella Corona; Corr. Secretary, Patsy Watley; Treasurer, Harriet Haley.

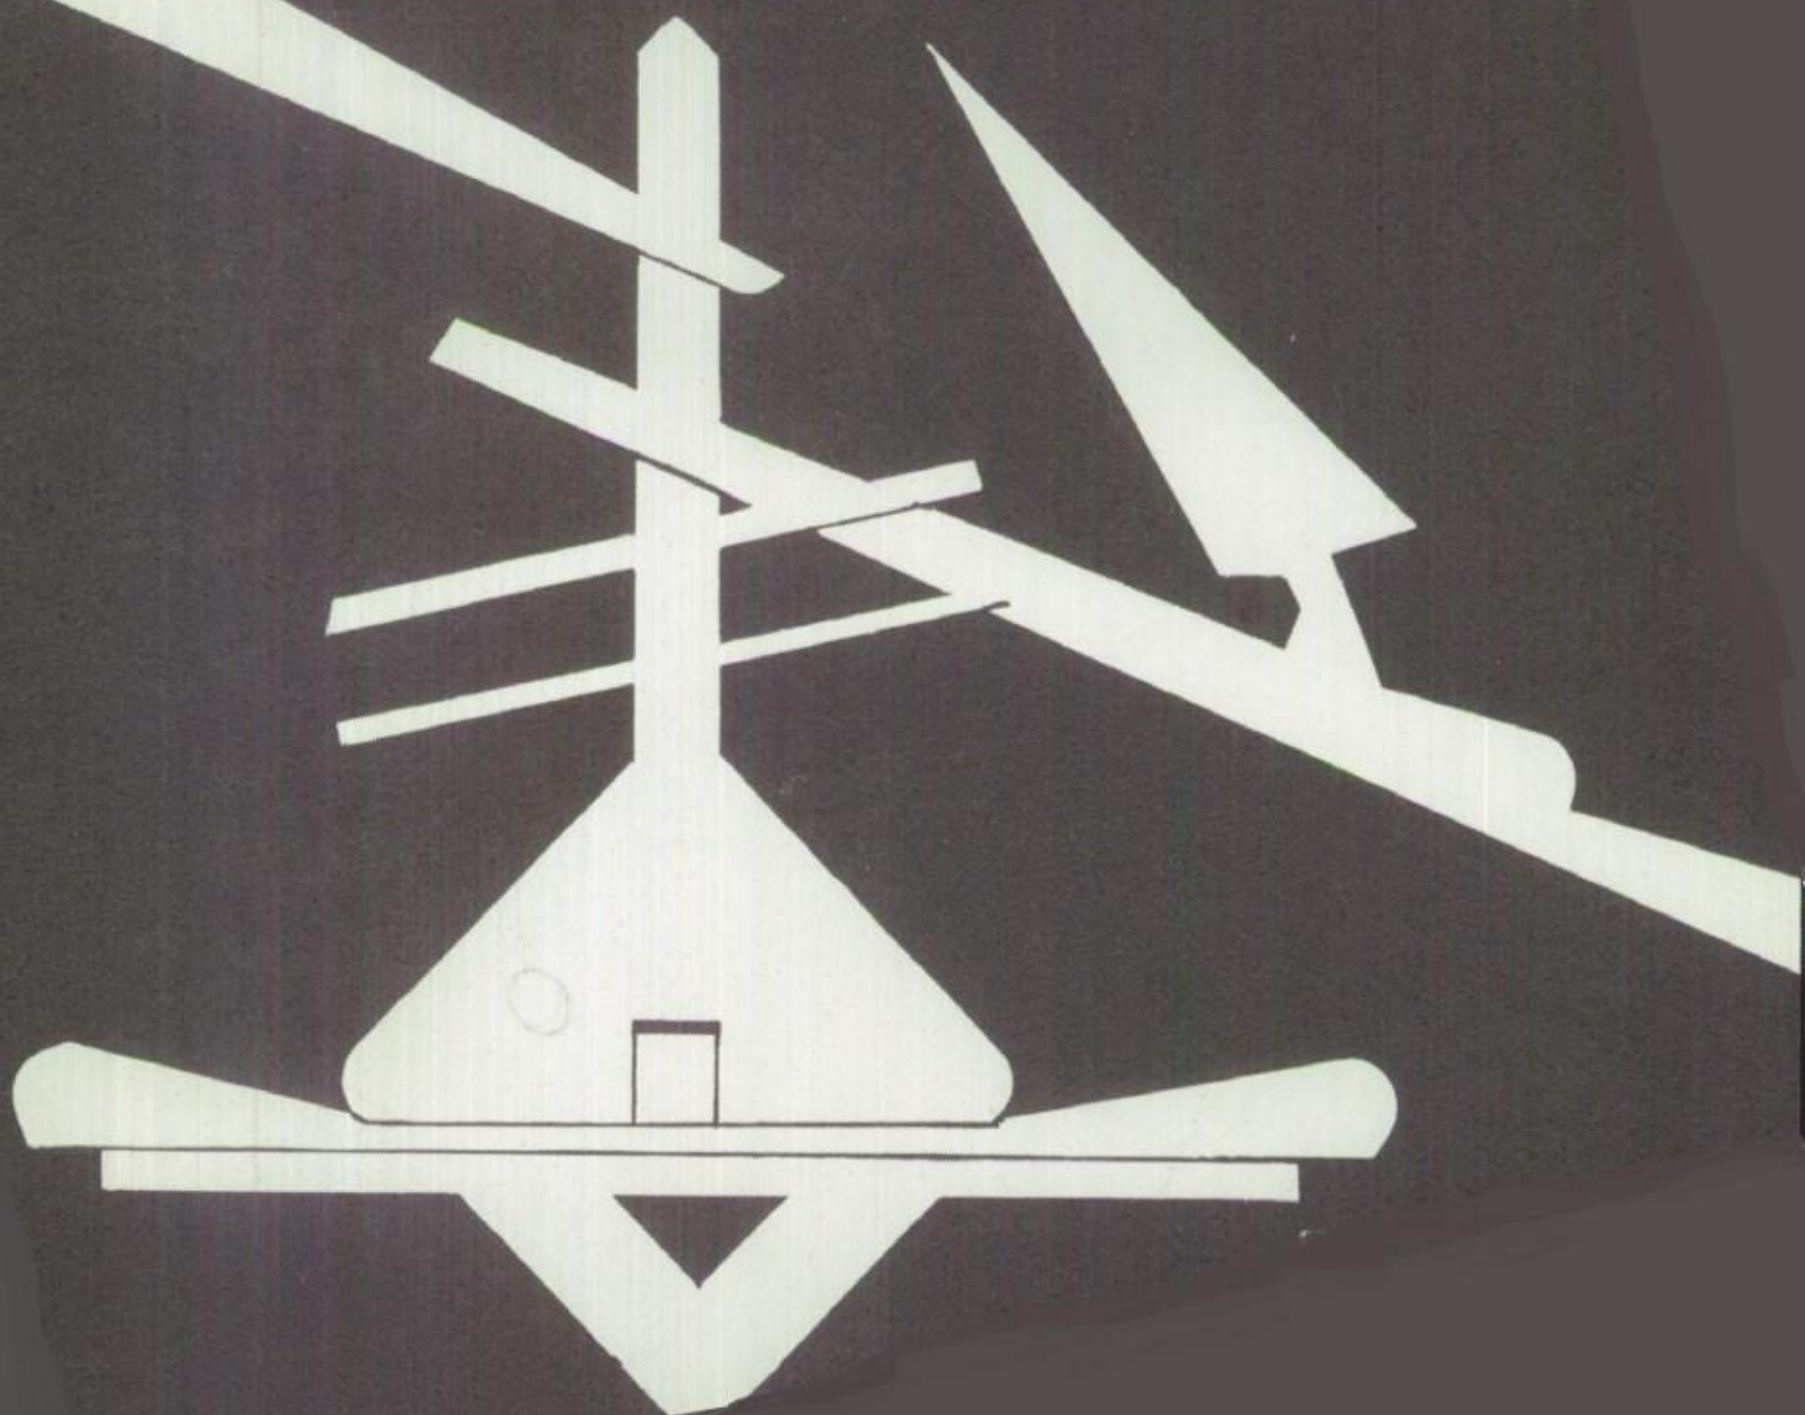

Dora Cano,
President

Have you heard the pear-shaped tones floating through the doors of S-10? This heavenly music is produced by the **YUHS MELODY CLUB**. Composed of Concert Choir and Advanced Girls' Glee, this club does much to further interest in music at YUHS. Their big project of the year is the operetta. Everyone in the club must work on the operetta in some way. Members of the club perform for different social and civic functions. The Melody Club participated in the Christmas program, Spring Festival and gave a concert of their own. Officers this year were President, Harry McKee; Vice President, Phyllis Mueller; Secretary, Sherry Bramblett; Treasurer, Sandy Steele.

Touchdowns are announced for all to hear by the cheerleaders as they ring the Victory Bell.

The YUHS band proudly executes a precision Y formation at half time.

Learning new cheers and giving the old a vigorous workout, our pep rallies gave us a chance to have fun as well as promote school spirit.

Lines, Lines, Lines! What would we do without our lines? Registration lines, locker lines, cafeteria lines, etc., etc! They're as much a part of our school as the classrooms.

A familiar scene to YUHS students; the team making their traditional entrance on to the field.

The varsity team burst enthusiastically through the Criminal Head into another game.

Outstanding students who were elected to membership in the National Honor Society were initiated in a very impressive ceremony.

Everyone had fun getting together and dancing at the football dances after all of our home games.

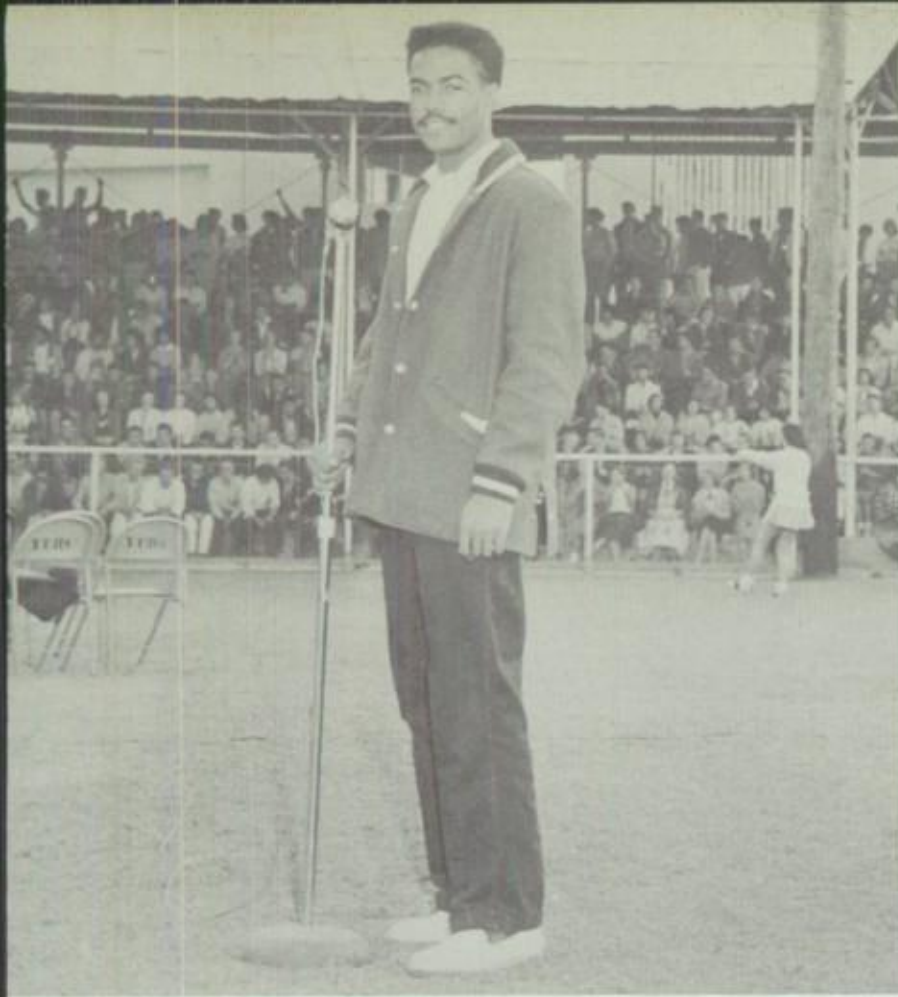

Onions, flour, paint, and housecoats made up the unusual costumes for the Future Homemakers of America initiation.

"Bluebeard", the skit presented by the El Saguaro Annual Staff as a noon-time activity offered laughs for everyone.

Y DAY, November 22, was filled with activities. The Talent Show and Downtown Rally were highlighted by the new and different royal coronation at the game that evening.

Y Day was a very special day for Frances Molina. She reigned over the activities as Campus Queen. She and her lovely court will have many wonderful memories of this month.

Heralds announce the coming of her majesty.

Cheers from the crowd greeted Frances as she was driven around the football field.

Jesters performed for the Queens Court.

The moment finally arrived. She was crowned Queen by Henry Montague and Earle Carter.

All for Yuma, stand up and holler! This was the annual Bonfire Rally sponsored by the Pep Club and held at "the block". All the athletic teams and coaches were introduced and skits were given by the Pep Club. The school band was there and everyone had a chance to show his school spirit by cheering and singing school songs.

Listen to that dreamy music! It was really wonderful dancing with that certain boy during the evening. Highlighting the Commercial Leaders' Sweetheart Dance was the crowning of Jeffie Gilpin as Sweetheart of the club.

"Fun for everyone" is the theme of this evening dance. Many dances are held during the year in which Crims participate with enthusiasm.

Running to victory! That's what these Crims are doing. This is just one of the many exciting track meets held during the year.

This is a familiar scene of some students getting ready to enjoy the good food put out by our cafeteria.

A flurry of excitement comes with the time of year when officers of the Student Body are elected for the forthcoming year.

Looking all the fashion in the rage of the year is Kathy Stratton, modeling a Chemise for the Modeling Club Fashion Show.

After working hard to obtain the ten Thespian points necessary to become a member of the National Thespians, these Crims were initiated in a day and night initiation.

This is just one of the many exhibits which were in the Math-Science Fair. The students showed amazing ability to apply their knowledge of science in their experiments and exhibits.

Here is a scene from the Junior Class Play entitled, "The Thirteenth Chair". It was an intriguing mystery enjoyed by all.

Cheerleaders

Fifteen cheers for our cheerleaders! These girls that are filled with so much pep really got out and kept our school spirit at a high peak by leading us in cheers for our athletic teams. J.V. cheerleaders were added to the pep squad this year. They cheered at J.V. games and helped at the varsity games. Along with Miss Castleton, their sponsor, they all deserve a lot of credit for a job well done.

With a crushing attack, the Criminals barrelled over Amphitheater of Tucson, 19-6. Meeting a powerhouse in the North Phoenix Mustangs, the Yumans went down to defeat as they were swamped 42-14.

West High, with a potential championship team, rammed through the Criminals 41-7. Art Acosta and the Tucson Badgers proved to be too much as they overran the Yumans with a 27-7 victory. Favored in the Y Day Game, the Crims were upset by the Warriors of Pueblo 26-21.

JV Football

Coach Speidel, another Southeast Missouri State Alumnus, took over this year as coach of the JV's and led the JV's to a 5-2-1 record.

Winning more games than any other Crim team was the YUHS JV's who ended the season with a 5-2-1 record. Our stars of tomorrow played well under the direction of their new coach and many of the boys saw action with the Varsity during the season. Among the players were many outstanding boys who will be Varsity material next year. Playing under the management of Coaches Speidel and Stephens, the JV's had a highly successful season.

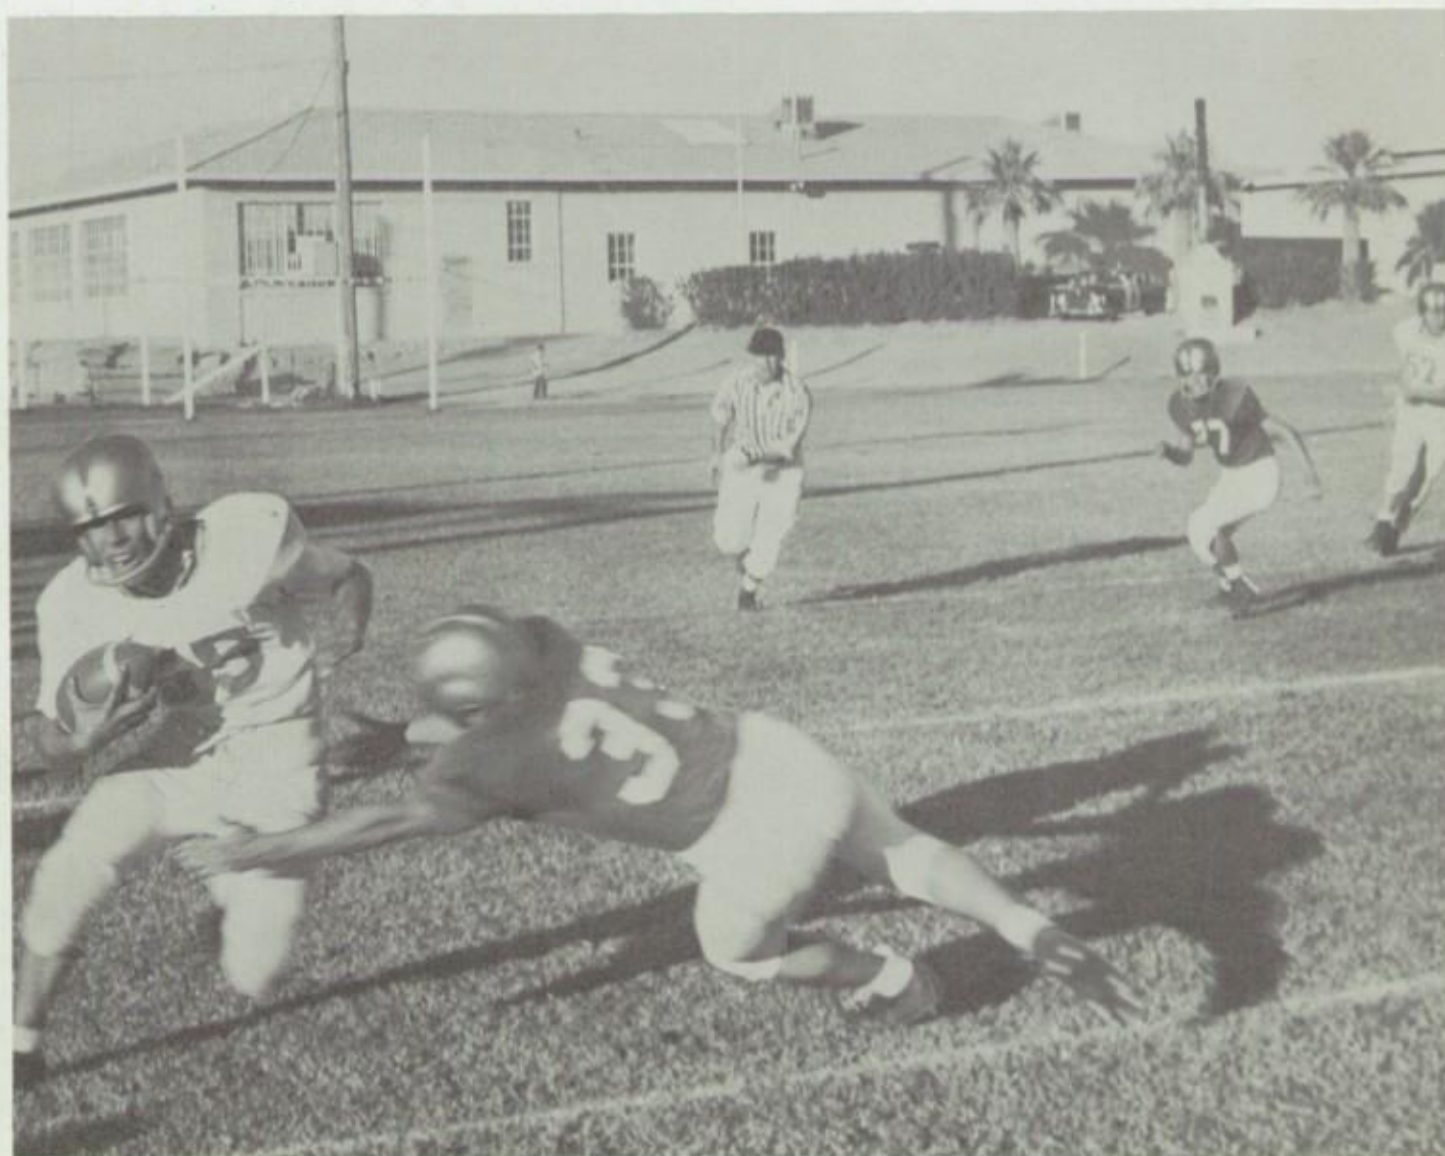

Moving up from freshman coach to JV was Coach Sam Stephens who helped lead the JV's to a successful season.

It is through the development and progress of the freshmen and junior varsity teams that enables us to have a strong future varsity five. Under a new coach this year, our boys' tennis team did a swell job. They showed good sportsmanship and fine playing ability.

In her first year as a coach at YUHS is Miss Sally Wulf.

Ina Leffler kept up the moral of the other girls and stood on the top of the ladder in ability and sportsmanship.

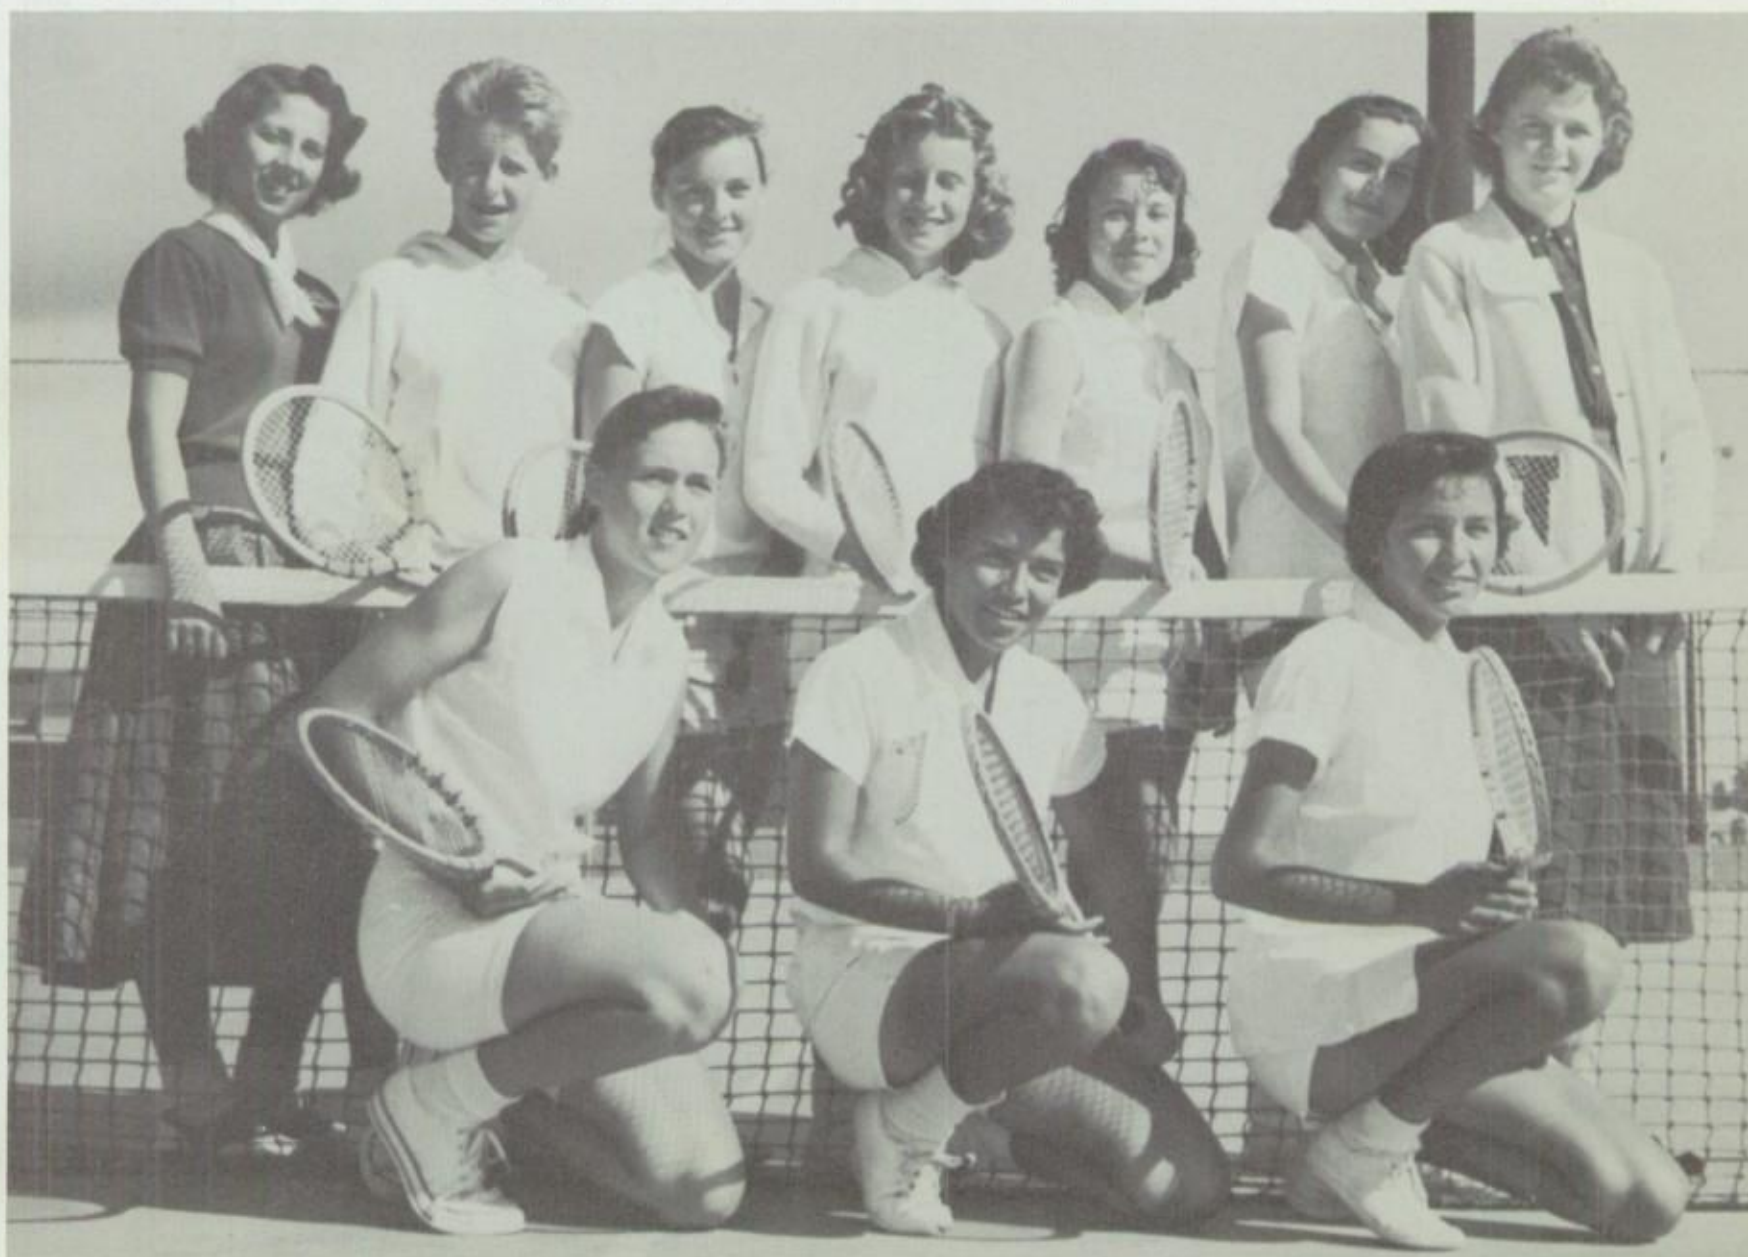

Our girls tennis team played a rough schedule, but by showing a lot of ability and desire to win, the girls won most of their matches. We are, naturally, very proud of them.

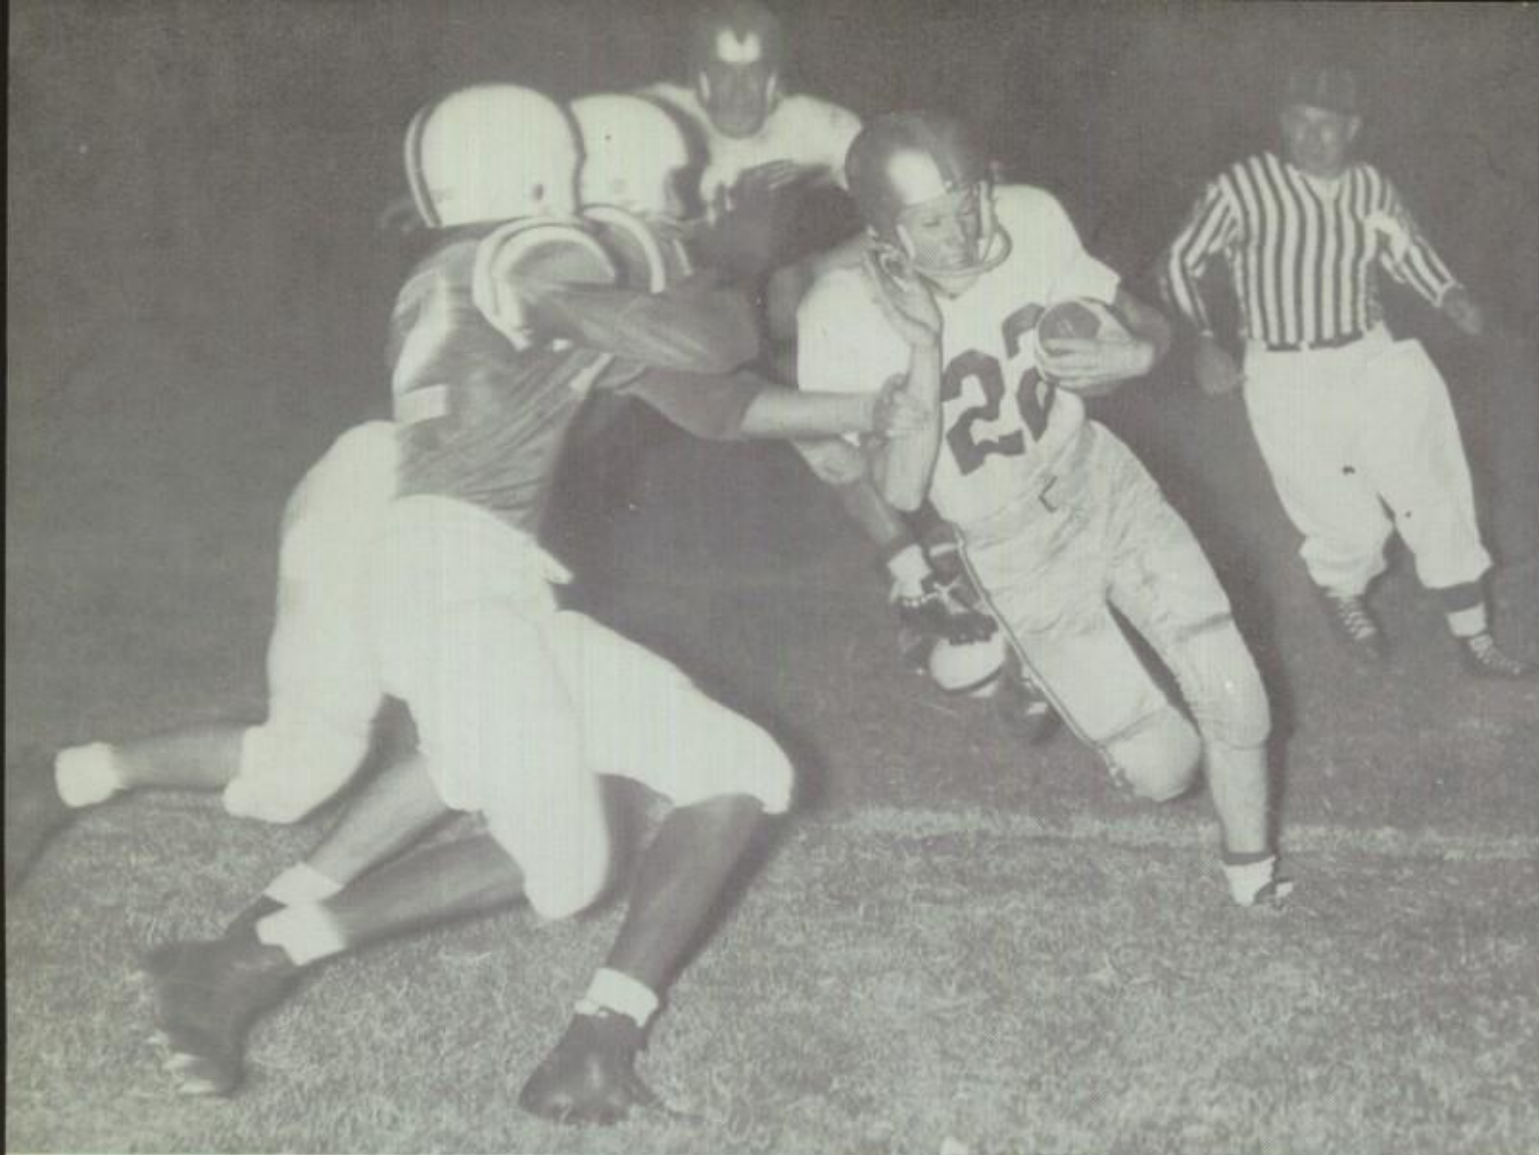

Coach Couchie coached the girls for the first time this year and her record speaks very well for her.

Posies and Thanks

Well, we did it! Right now it is a little hard to believe because we have all been rushing around like crazy to meet our final deadline.

This has really been a year of changes. The staff got adventurous and we decided to revamp the entire EL SAGUARO. You might not even recognize your yearbook because it is drastically different but we hope you like it.

There were a variety of "characters" on the staff this year and each one deserves a lot of credit.

MR. TOM CLARKIN has been very patient with all of us and his easy-going personality has helped keep tension down.

PETE GOLDEN was really a "yearbook saver". He came on the staff at the semester and worked hard on all of the modern designs in the annual as well as designing our first original cover.

WANDA BAILEY has been my right hand girl. She did a terrific job on everything she did.

I have never known a more willing, capable, and dependable fellow than MARK ARNOLD whose work always encouraged me.

BETTY PRATHER had a big job doing the layouts but she did a "star" job not only planning pages but writing copy.

Typist LUPE MORAN cheerfully put up with all of us other staff members as she tried to decipher all that was given her to type.

PAT GIERMANN and EARLE CARTER had a job and a half to do selling advertising which they did successfully. Pat did a fine job laying out and planning the section.

Of course the EL SAGUARO needed money to operate on and CAROL LEONARD took care of all the business.

I sometimes thought DAVE HOSSLER and MR. BRAFFET would throw a couple of fits trying to get all the pictures the staff wanted but they came through it remarkably well. A million thanks to them and the rest of the photography department.

ROBERT JONES did his best to make the sports section better than ever. We hope you like all of the action shots.

The actress on the staff, KATHY STRATTON did some fine work and helped to keep the morale of the staff on a high level.

Talking about morale, RALPH CHITWOOD kept the staff laughing at his art work and jokes.

GAIL FORD and SALLY BASHLINE were always busily writing copy or working on class panels. They did a great job putting up with my suggestions.

NELYA HIGHTOWER came on at the semester; she was the general "flunky" who checked the final copies of everything.

I realize that sometimes I have been pretty stubborn and many things had to be redone, but I think the staff understands. I would like to give a big word of thanks and a pat on the back to each EL SAGUARO staff member. They have been wonderful.

In addition to the staff many others helped publish the EL SAGUARO. Updike Studios did the class panels and Mr. Updike made several special trips. Bill Messenger did some of the ad shots and the Yuma Daily Sun is to be thanked for loaning us more action shots.

Joyce Bundy, Sue Groenert and the commercial art class did a fine job on the art work they did. Many other Crims and teachers helped us a lot also. The Arizona Yearbook Company and Milton Bean gave us needed technical advice and printed our yearbook.

This year has not only been filled with work and worry, but also with many remarkable things to remember.

We sincerely hope that you enjoy your EL SAGUARO for a life time.

Sincerely

Elva Warner

Matthew, -; !?
To a guy that
is, - was, & has been,
will be, oh, well so
much for that. I know
that I will see you
a lot more so I'll
just say lots of luck
until I see you again.
Sincerely

To one of the
craziest and getting
with in Eng. that I got off
next year in one big and goodie class
of those real cute girls. They sneak up and
get you when your not prepared. Loads of back and fun

Matthew,
I think you
are a great guy
in every thing and
I believe that you'll
get greater. You're
a nice guy & you
are now so I hope
you'll never
change. You
better not.
May you
have many
blessings in
the years to
come

Matthew,
 It has been nice knowing
 you these last two years. We
 have had a lot of fun in English.
 I sure hope you are in one
 of my class next year. Good
 luck in the future years to
 come.
 You are very nice. One

P.S. Don't forget
 Pagano.

Matthew,
 Because of you my
 Latin grade is going to
 be a 3 on the semester
 (I think) Anyway, that's
 a good excuse for not
 studying! You also
 raised the curve in Geometry
 so we got a lower grade.
 Damn! Anyway, I think
 it's great that you got
 such good grade, don't stop.
 You'll probably be
 a dictionary in 60.
 Always,
 Pat Hermann

Matthew,
 It's been fun knowing
 you in Biology and we
 can share a class again next
 year. Best of luck in
 your future years.

mother - Oh hal! Now I can get even with you for all the
mother things you did to "mea" in "Bylogy". Such as: write your
name, not only write your name, but also claim my notes
for yours. How dare you! And then also I remember sitting
down when there wasn't anything to sit on, and adding
insect to insect with a nasty note in my annual. All
yet even with you yet believe me. You know if it hadn't
been for me telling you copy my notes, my text and
also for my explanations you would have failed "Bylogy".
Maybe all these things listed above aren't true but you
can't get around it that without me telling you how to
spell "Bylogy" you wouldn't make the Florida roll. So
as with the jokes now I'll get down to business, you're
a dumb, an "idiot" (although a brainy one) and also a "nut wife".
Best of luck in coming years and for
heavens sake lay off the bottle" (bawdy bottle).

Nothing around
that makes it
good.
You are, you'll get ahead in this world (you need one)
